

Corporate Day

On 5th July 2017, IBS Jaipur students organized a full day event to boost the personality development of the juniors. The event was divided into four phases: Aptitude, Business Quiz, Group discussion, Extempore and Personal interview. The objective of the event was to enhance the global citizenship as these students will be working for the multinational. The various round conducted gave them a glimpse of how the companies are judging the candidates. Also they were able to realize their weakness on which they need to work for a better career.
