

### **Industrial visit of the MBA students – Jan 14 – 15, 2017**

An industrial visit to BSE (Bombay Stock Exchange) and RBI (Reserve Bank of India) was organized by the IBS Jaipur to get the practical exposure about the working of such Institutes. The visit was organized from 4th January to 15<sup>th</sup> January in two batches. Regarding the visit of BSE, students were exposed to a quality lecture on the history of BSE, how it came into existence and its governing body SEBI (Security Exchange Board of India) and how the Indian Economy was affected at the recession time of 2008 and slow down of share market. For the RBI visit, students visited monetary museum and witnessed a great history about the Indian currency, evolution of paper notes, coins etc. The visit was organised in a batch of 25 students along with faculty mentor. Overall experience of this visit was rewarding as far as the learning and enjoyment are concerned.
