

## **Seminar on Tech Sangam Program**

Today on 29.03.2017, a seminar was organized on Free Industrial Training under C-DAC “Tech-Sangam Program” by C-DAC ATC Jaipur. C-DAC “Tech Sangam Program” is a National initiative of Academia-Industry Collaboration Program. B.Tech (CSE/EC) and BCA students participated in this seminar. In the presentation Mr. Satish Malhotra told about awareness of C-DAC's programs and its working areas. He also shared the information for free Industrial Training, Internship, Placement support program. After presentation there was an online screening test of 50 minutes. B.Tech 2<sup>nd</sup> year and 3<sup>rd</sup> year (CSE/EC) students took part in the screening test. If students will clear the test then they will be provided two months Internship Program free of cost at C-DAC ATC Jaipur.

The event was inaugurated by Hon’ble President Dr. PBL Chaurasia, event was attended by Dr. G.D. Rathod, Prof A.K. Saini, and other faculty members of ITS.
