

A NEW ERA IN OPEN ACCESS PUBLISHING

We invite students, postdoctoral researchers, and experienced principal investigators to explore our intuitive open access platform and share their discoveries and inventions with researchers worldwide.

Why Choose Cureus Journals?

Cureus Journals, a **Springer Nature** journal series, supports inclusive, equitable, and affordable publishing while fostering accessibility, transparency, and interdisciplinary research collaboration. We maintain high standards of peer review, ethical publishing, and research integrity.

Open Access Benefits

Increased visibility, global reach, wider collaboration, and more.

Inclusive Ecosystem

Publish incremental studies, null results, and more.

Quality Peer Review

Research conforming to the highest standards in publishing.

Intuitive Platform

Easy-to-use submission platform.

Author Support and Engagement

Expert webinars and workshops, certificates, article promotion, blogs on publishing tips, and more.

Affordable Publishing

Zero paywalls and an affordable editing fee.

Institutional Partnership

Avail opportunity for discounted publishing.

Questions?

Wish to submit, review, or share advice? Please write to CureusJoBE@springernature.com.

Editors

Help us ensure continued compliance with the highest publishing standards.

Peer Reviewers

Empower researchers for accurate research and error-free publishing.

Authors

Contribute to the scientific record and advance your field incrementally or fundamentally.

Scan for submission video and visit www.cureusjournals.com/journal/business-and-economics to **submit manuscript**.
