FIRST ONE DAY CAMP

September 17, 2025

The First One Day Camp was successfully organised by the NSS Unit on the theme “Green and Clean Campus” and “My Garbage, My Responsibility” with the objective of promoting environmental consciousness, cleanliness, and civic responsibility among students. The camp effectively combined environmental action, creative engagement, and social awareness, ensuring enthusiastic participation from NSS volunteers and students.

Objectives

- To promote a clean, green, and sustainable campus environment.
- To inculcate a sense of responsibility towards waste management.
- To encourage environmental stewardship through plantation and cleanliness activities.

Event Details:

1. Plantation Activity

NSS volunteers planted saplings at various locations across the campus. Students were sensitised to the importance of afforestation and encouraged to take responsibility for the care and maintenance of the planted saplings.

2. Cleanliness Drive

A cleanliness drive was carried out at key locations on the campus, including:

- Computer Laboratories
- Area in front of the Reception
- Sports Ground near the Cafeteria

Volunteers actively participated in cleaning these areas and spreading awareness highlighting the importance of individual accountability in maintaining cleanliness.

3. Digital Poster Making Competition

A digital poster making competition was organised on the topic: “**One Earth, One Future**”.

A digital poster making competition was organised on the theme “One Earth, One Future.” Participants creatively depicted ideas related to environmental sustainability, climate action, responsible use of technology, and the role of citizens in building a sustainable future for the planet. Thirty students registered for the competition. The drive link consisting of details of students who registered for the competitions is:

Outcomes

- Enhanced awareness regarding environmental protection and cleanliness.
- Strengthened civic sense and social responsibility among students.
- Encouraged creative, critical, and digital expression on environmental themes.

Conclusion

The First One Day Camp proved to be a comprehensive and impactful initiative that successfully blended environmental sustainability, digital awareness, and national consciousness. The programme reinforced the core values of service, responsibility, and nation-building, in alignment with the objectives of the NSS. Dr Sugandha Verma, Programme Officer, NSS coordinated and conducted the event. Dr. Rani Sharma, Mr. Vijit Singh, and Ms. Chahana Chaturvedi faculty coordinators from each department of the university provided active support.
