

# **Event Report: Participation in PRAGYAN 2026 – Crime Scene Investigation & Evidence Hunt**

**Organized by:** Department of Forensic Science, School of Sciences, [JECRC University](#)

**Event:** PRAGYAN 2026 – A National Summit on Forensic Science & Cyber Intelligence (GSI 4.0)

**Dates:** 3rd – 4th April 2026

**Reported by:** Faculty of Forensic Science, IcfaiTech, ICFAI University Jaipur

## **Introduction**

PRAGYAN 2026 was a national-level summit aimed at integrating forensic education with practical investigative approaches. The event provided a platform for students to engage in real-time forensic challenges and enhance their analytical and problem-solving skills.

A key highlight of the event was the “Crime Scene Investigation & Evidence Hunt”, conducted under CaseFile: The Investigation Series, designed as a multi-round competitive forensic challenge.

## **Participation Details**

A total of 5 teams from ICFAI University Jaipur participated.

## **Participating Teams**

Team 1:

- Khushi Chavan
- Priya Saini
- Virendra Meena

Team 2:

- Ananya Sharma
- Vidya Laxmi
- Shubhangi Sharma

Team 3:

- Sneha Meena
- Vaishali Garg

- Pawan Kumar Sahu

Team 4:

- Srishti Sharma
- Kamalkant Mali
- Manoj Kumar Bairwa

Team 5:

- Sapna Kumari
- Tarika Navaka

- Saumya Sharman

## **Audience Participants**

- Simran Saini
- Reetali
- Tanisha Jangid
- Sudesh Kumar Bairwa
- Reeshu Sharma
- Anuj Kumar Meena
- Insaar

## Event Structure

The competition consisted of three rounds:

### 1. Elimination Round

This round included:

- Quiz
- Memory-based tasks
- Evidence Hunt

Result:

- Team 3 and Team 4 were eliminated
- Team 1, Team 2, and Team 5 qualified for the next round

### 2. Semi-Final Round (Rapid Fire Round)

- This round was conducted in a rapid-fire format
- It tested:
  - Quick thinking
  - Conceptual clarity
  - Speed and accuracy

Result:

- Out of three teams, two teams were eliminated
- Team 1 qualified for the final round

### 3. Final Round (Crime Scene Investigation - CSI)

- The final round involved a practical Crime Scene Investigation (CSI)
- Students were required to:
  - Analyze the simulated crime scene
  - Identify and interpret evidence
  - Apply forensic principles in real-time

Result:

- **Team 1** represented **ICFAI University Jaipur** in the **final round**
- The team performed well but was defeated in the final stage

## Outcome & Performance

- Strong participation from ICFAI students
- Team 1 reached the final round, showcasing excellent forensic skills
- Demonstrated:
  - Team coordination
  - Analytical thinking
  - Practical application of forensic science

## **Learning Outcomes**

Students gained:

- Hands-on exposure to crime scene investigation techniques
- Experience in time-bound forensic problem solving
- Improved:
  - Observation skills
  - Decision-making ability
  - Teamwork

## **Conclusion**

PRAGYAN 2026 provided an excellent opportunity for students to apply theoretical knowledge in practical scenarios. Participation in such competitive forensic events enhances confidence, skill development, and professional readiness.

The event was highly beneficial and contributed significantly to the academic and practical growth of the students of ICFAI University Jaipur.
