Report on – Rajasthan State Assembly Digital Museum

Date: 21 January 2026

Time: 10:00AM- 2:00PM

Venue: Rajasthan State Assembly, Jaipur, Rajasthan

Organized by: ICFAI School of Liberal Arts

On 21 January 2026, students from the ICFAI School of Liberal Arts, ICFAI University, Jaipur embarked on an enriching educational visit to the Rajasthan State Assembly Digital Museum, located within the Vidhan Bhavan complex in Jaipur.

The museum is a state-of-the-art interactive facility that presents the political history and democratic evolution of Rajasthan through advanced technology and engaging exhibits. It houses 30 immersive galleries that cover key themes such as the freedom struggle, tribal movements, the formation and functioning of the Rajasthan Legislative Assembly, and the roles of elected representatives in democratic governance.

Visit Highlights

- **Interactive Exhibits:** Students explored a state-of-the-art digital museum featuring around 30 immersive galleries that illustrate the political history and democratic evolution of Rajasthan through 3D projection mapping, animated dioramas, interactive kiosks, holograms, and virtual reality experiences.
- **Virtual Reality Tour:** A virtual reality walkthrough of the Rajasthan Legislative Assembly provided a simulated experience of the legislative environment.
- **Political Narratives:** Exhibits covered significant themes such as Rajasthan's freedom struggle, tribal movements, state formation in 1952, and the structure and functioning of the legislative assembly.
- **Engaging Technology:** Students interacted with dynamic installations, talk-back studios, and hologram sessions including a "Talk with the Speaker" feature, illuminating democratic roles and processes.
- **Leadership Showcase:** Displays also included models and facts about key political figures, such as former Speakers and leaders who shaped the state's governance.

Objective

The primary goals of the visit were to:

- **Enhance civic understanding:** To deepen students' comprehension of democratic institutions and the legislative process of the Rajasthan State Assembly.
- **Connect theory with practice:** To complement classroom learning in liberal arts, political science, and governance with real-world insights into how laws are made and how democratic systems function.
- **Stimulate critical thinking:** To encourage students to reflect on political history, state formation, and citizen-representative relationships through interactive and technology-driven exhibits.

- Promote experiential learning: To provide an engaging educational experience beyond traditional lectures by using digital media that makes complex political processes accessible and memorable.

Outcome

- Improved Knowledge: Students gained a stronger grasp of Rajasthan's political heritage, the roles and duties of legislators, and the functions of a legislative assembly.
- Enhanced Engagement: The use of VR, holograms, and interactive displays made learning more engaging and intuitive, sparking curiosity and discussion among students.
- Real-World Context: By observing how democratic processes are showcased and explained, students were able to relate academic concepts to real institutional structures.
- Reflective Insights: Many students expressed increased awareness about the responsibilities of citizens and public representatives, strengthening their appreciation for active democratic participation.

The educational visit to the Rajasthan State Assembly Digital Museum on 21 January 2026 was a meaningful and enriching experience for all participants. A total of 103 students from the ICFAI School of Liberal Arts, ICFAI University, Jaipur, accompanied by 4 faculty members, attended the visit. Through interactive exhibits, immersive technology, and engaging presentations, the visit successfully bridged academic learning with real-world insights into democratic processes and political history. Students returned with a deeper understanding of the legislative framework of Rajasthan, increased civic awareness, and a stronger appreciation of how democratic institutions function. The positive feedback from both students and faculty reflects the visit's success in fostering curiosity, critical reflection, and experiential learning.

The event was coordinated by Ms. Chahana Chaturvedi and Dr. Mathew Sinu Simon.
