Introduction:

The National Education Policy (NEP) 2020 is a landmark reform introduced by the Government of India to modernise and revamp the Indian education system, with an emphasis on flexibility, multidisciplinary learning, and lifelong learning. In alignment with this vision, ICFAI School of Liberal Arts (ISLA) organised a session for students under the NEP Awareness Camp during the Student Induction Programme-Deeksharambh 2025. The sessions were designed to familiarise students with critical components of NEP 2020, including the Academic Bank of Credits (ABC) and the relevance of Massive Open Online Courses (MOOCs).

Objective:

To introduce students to the foundational principles of NEP 2020, with a specific focus on the Academic Bank of Credits (ABC) and the multiple entry and exit framework in higher education.

The session was conducted by Dr Sugandha Verma, Assistant Professor, ISLA and Member of the NEP Committee of the university. Students were informed about the ABC system and how it facilitates credit transfer and multiple exit and entry options.

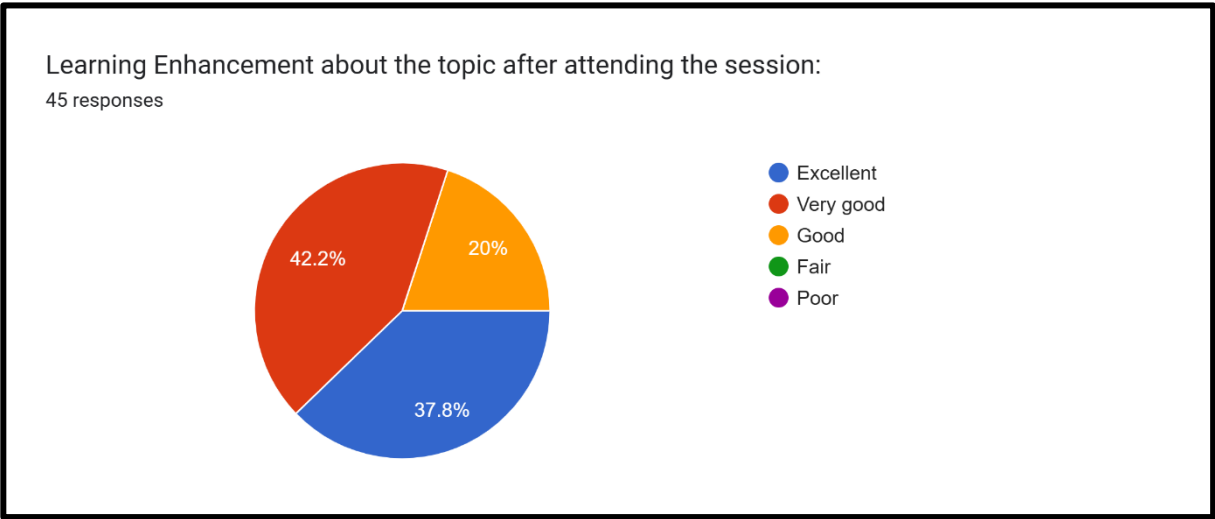

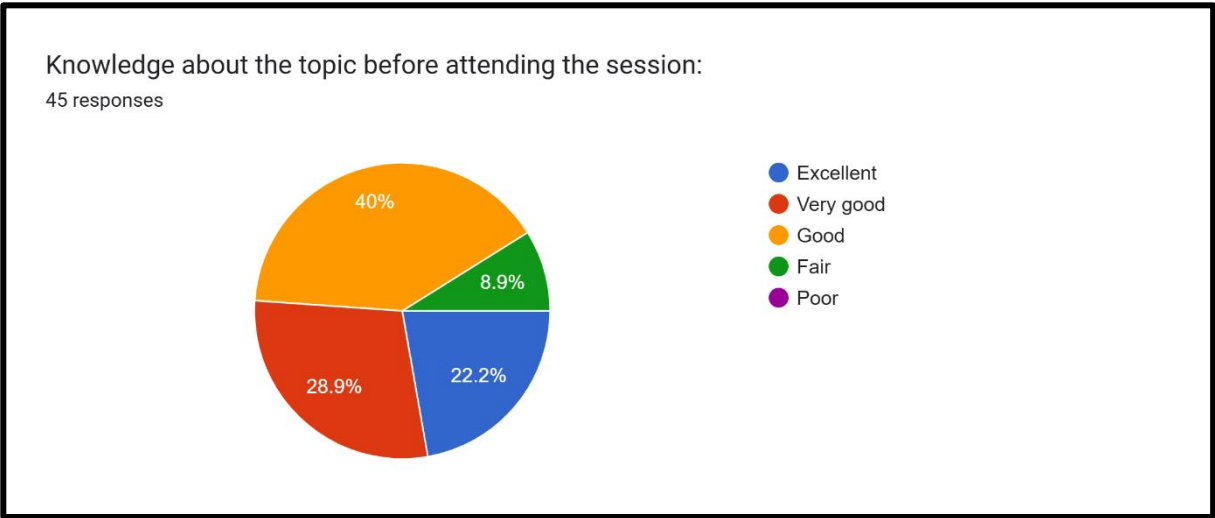

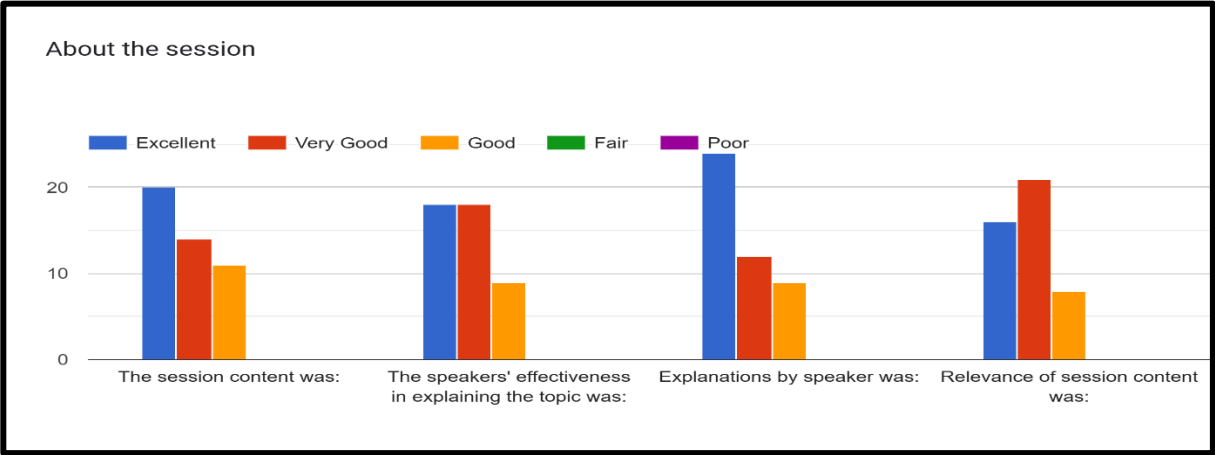

Details:

The students were given detailed explanation of NEP 2020's holistic and flexible learning framework. They were introduced to the ABC ID, its registration process, and utility in tracking and transferring academic credits. Detailed discussion also took place on how multiple entry and exit options empower students by

allowing academic flexibility and mobility. Hands-on guidance was provided to the students on accessing the ABC portal on the DigiLocker application and understanding credit accumulation.
