---

**Date:** 29<sup>th</sup> October 2025

**Venue:** ICFAI School of Pharmaceutical Sciences, The ICFAI University, Jaipur

**Organized by:** ICFAI School of Pharmaceutical Sciences, The ICFAI University, Jaipur

**Objective:**

The objective of the Parent–Teacher Meeting (PTM) was to establish a constructive platform for interaction between parents and teachers, fostering collaboration and promoting the holistic development of students. The meeting aimed to review students’ academic performance, learning behavior, and overall well-being, while encouraging shared responsibility between parents and the institution in nurturing student success.

**Proceedings:**

The Parent–Teacher Meeting was organized on 29th October 2025 at ICFAI School of Pharmaceutical Sciences, under the valuable guidance and encouragement of **Prof (Dr) H P Singh, VSM, Hon’ble President**, The ICFAI University, Jaipur. The initiative reflected the University’s commitment to transparency, academic excellence, and meaningful engagement with parents.

The session witnessed active participation from parents, faculty members, and mentors, providing an enriching opportunity to exchange insights regarding students’ academic progress, discipline, participation, and behavioral growth. The respective mentors offered personalized feedback, highlighting each student’s strengths and suggesting strategies for further improvement.

Following the mentor–parent interactions, Prof (Dr) G N Sharma, Principal, ICFAI School of Pharmaceutical Sciences, briefed the parents about the School’s academic initiatives, forthcoming events, and future plans. Parents actively engaged in the discussion and shared constructive suggestions to further enhance the academic environment.

Parents appreciated the School’s proactive approach in nurturing a positive and supportive learning atmosphere and acknowledged the faculty’s consistent efforts in mentoring students toward academic and personal excellence. The meeting served as an effective bridge for better understanding students’ needs and aligning parental involvement with institutional guidance.

**Feedback and Observations:**

Feedback forms were distributed to gather parents’ opinions and recommendations. The responses were overwhelmingly positive, commending the School’s commitment to academic quality, open communication, and a student-centric approach.

**Outcomes:** The Parent–Teacher Meeting resulted in:

- Strengthened communication between parents and faculty members.
- Enhanced understanding of students' academic and personal development.
- Renewed commitment from both sides toward continuous improvement and student success.
- Increased parental confidence in the University's educational environment, transparency, and support system.

The meeting concluded on an encouraging and collaborative note, reaffirming the shared vision of parents, teachers, and the institution in guiding students toward excellence. Faculty members expressed sincere gratitude to all parents for their active participation, valuable feedback, and
