

# EVENT REPORT

**EVENT-** NOT SO SURELOCK: A FORENSIC ODYSSEY (Celebrating World Forensic Science Day)

Date- 20 September, 2024

Time- 02:30 PM - 04:00 PM

On the occasion of World Forensic Science Day an event (**NOT SO SURELOCK: A FORENSIC ODYSSEY**) has organized with enthusiasm and high spirits by the department of forensic science, IcfaiTech, The ICFAI University. The main purpose of this gathering was to celebrate World Forensic Science Day. All forensic science students and faculties in the ICFAI Tech participated in the event. Mr. Anuj Kumar, Ms. Pawan S. Rathore, and Mr. Shivam Arya were the event coordinators. The event's speaker was Mr. Shivam Arya.

In this event a virtual crime scene investigation competition was organized for students. This virtual crime scene was a learning and ability enhancement competition for forensic science students. Five teams competed in this event: three teams were first-year B.Sc. students, two teams were second-year. B.Sc. third-year. students were the volunteers and members of the organizing committee. We received a total of six teams from the students, with three students in each team.

**Team:1** Anishka, Aastha, Vaishali

**Team:2** Saloni, Sapna, Amrita

**Team:3** Kamal Kant Saini, Manoj Kumar Bairwa, Jayesh Gupta.

**Team:4** Varsha, Arju Yadav, Anuj Kumar Meena

**Team:5** Abhishek, Ankit Shahu, Ravi Shanker Saini

**Team:6** Mili Sharma, Vandna Choudhary, Seema Saini.

A few students are given the crime scene narrative once the team has been chosen; it is told verbally and recorded on the white board. The teams were given an opinion in the paper, and after fifteen minutes, we collected it.

A panel of three faculties namely Dr. Surbhi Jain, Ms. Pawan S. Rathore, and Mr. Anuj Kumar was formed for decision on competition.

**Winning Team:** Team 2: Saloni, Sapna, Amrita, after a close and exhilarating competition, Team 2 emerged as the champions of NOT SO SURLOCK: A FORENSIC ODYSSEY.

**Conclusion:** It was a celebration of the day dedicated to forensic science. Audience gains the knowledge about the crime scene and improves his or her capacity to solve crimes. The sole purpose of this program was to aware students about Forensic Science and crime scene investigation. Both attendees and participants found the event to be a great experience.
