

The ICFAI University Jaipur IcfaiTech

Event Report

Expert Lecture on “Forensic Science and Crime Investigation”

Objective:

An expert lecture on “Forensic Science and Crime Investigation” was organized for BSc Forensic Science students aimed to provide a comprehensive understanding of the essential role forensic science plays in modern crime-solving.

Outcome:

Mr. R.S. Sharma, an esteemed expert in the field, shared valuable insights from his extensive experience in forensic analysis and criminal investigations. He emphasized the integral role of forensic science in crime investigation, fostering dialogue on current challenges and innovations within the discipline and encouraging students to think critically and creatively about following clues necessary for solving various types of crimes.

Organized by:
