

# **The ICFAI University Jaipur IcfaiTech**

## **Event Report**

### **Online Expert Lecture on “Basics of Forensic Science and Related Law in India”**

#### **Objective:**

An expert lecture on “Basics of Forensic Science and Related Law in India” was organized for BSc Forensic Science students aimed to provide an in-depth understanding of the Indian criminal justice system, focusing on key legal frameworks, recent reforms, and contemporary challenges. The lecture will also aim to foster an appreciation of the complexities surrounding criminal law in India, with a focus on how it impacts society, legal practice, and justice delivery.

#### **Outcome:**

Dr Manoj Joshi, an esteemed expert in the field, covered a wide range of topics, addressing both the legal framework and the role of forensic science in the Indian criminal justice system. He included various sections related to evidences, expert opinion and digital evidences present in The Bhartiya Nagarik Suraksha Samhita, and The Bhartiya Suraksha Samhita. In this webinar Dr Joshi also discussed famous criminal cases in India where forensic science played a pivotal role, such as the Nirbhaya case, Aarushi Talwar murder case, and various terror-related investigations and these examples showed how forensic evidence either confirmed suspicions or led to exonerations.
