Report on Educational Visit to Central Jail, Jaipur

BSc Forensic Science students from IcfaiTech, the ICFAI University, Jaipur visited the Central Jail, Jaipur on 22-10-2024. 70 students of B.Sc. (FS) I year and II year accompanied by Dr. RK Chaurasia, Dr. Gaurang Singh, Ms. Pawan S. Rathore, and Mr Shivam Arya visited the Central Jail, Jaipur. The educational visit to Central Jail provided students with insights into the criminal justice system, rehabilitation processes, and the realities of incarceration. This visit was part of our curriculum to enhance understanding of social issues, law, and ethics.

Students were escorted by prison staff through various sections of the facility, including living quarters, recreational areas, and educational programs. The tour was designed to provide a realistic view of daily life in prison. Students interacted with the prison warden and a rehabilitation officer and asked questions about inmate management, the role of education in rehabilitation, and the challenges faced within the prison system.

This visit provided a clearer understanding of the complexities of the prison system, including the challenges inmates face and the efforts made toward rehabilitation.
