Mr. Abizer Safdari

 M.Tech-CSE, B.Tech-CSE
 Assistant Professor

Mr. Abizer Safdari, M.Tech-CSE, B.Tech-CSE, is an Assistant Professor with three years of IT and industry experience. He completed his M.Tech from ITMO University,St. Petersburg, Russia, with a thesis focused on deep fake detection. His primary research interests include Applied Machine Learning, Deep Learning, Computer Vision, Image Processing, Distributed Computing, and Big Data. With expertise in cutting-edge AI technologies, he actively contributes to research and development in these domains. His work integrates theoretical knowledge with practical applications, fostering advancements in artificial intelligence and data-driven solutions. In the previous year, he communicated six research papers, one of which won the Best Paper Award at a conference. He is committed to academic excellence and innovation in computing technologies.
