

Ms. Amritha Roy
M.Sc. (Forensic Science), UGC-NET (2025)
Assistant Professor (Forensic)

Ms. Amritha Roy is a dedicated and emerging academician in the field of Forensic Science. She holds a Bachelor's degree in Botany and Biotechnology from CMS College (Autonomous), (Deemed-to-be University), Bangalore. She qualified the UGC-NET in Forensic Science in 2025. During her academic training, she completed an internship at the Regional Forensic Science Laboratory, Kochi, Kerala, gaining practical exposure to forensic casework and laboratory procedures. Her academic interests encompass forensic biology, forensic biotechnology, crime scene investigation, forensic laboratory practices, and the application of biological sciences in criminal justice. She is passionate about fostering scientific inquiry among students and integrating theoretical knowledge with practical forensic applications.
