

Mr. Kapil Dev Raghuwanshi is an Assistant Professor at the Department of Computer Science and Engineering, **IcfaiTech, The ICFAI University, Jaipur** with over 14+ years of academic and industry experience, he is a dedicated educator and researcher in the domains of Cloud Computing, Machine Learning, Artificial intelligence, Network Security and Computer networks. He holds a B.E. in Computer Science and Engineering (2010) From RGPV Bhopal, an MTech. in Computer Science and Engineering (2015) From RGPV Bhopal, and is currently pursuing a Ph.D. in Computer Engineering from Indus Institute of Technology and Engineering Ahmedabad, Indus University, Ahmedabad (Gujarat).

Prof. Kapil Dev Raghuwanshi has published 11+ research papers in reputed journals and International Conferences, including Springer Nature, IEEE Xplore, and Scopus-indexed proceedings. His research focuses on **artificial intelligence, Cloud Computing, Machine Learning, and Network Security**, addressing real-world challenges such as **Disease Detection, Water Quality Monitoring, and Secure Data Storage**.

He has co-authored three books—**Essentials of Information Technology, Python Programming, and Computer Networks with Advanced Routing Approach**—that are valuable resources for students and practitioners alike.

In recognition of his technical acumen, Prof. Kapil Dev Raghuwanshi holds certifications including **Oracle Certified Foundations Associate – Java (1Z0-811)** and **Oracle Cloud Infrastructure Foundations 2021 Associate (1Z0-1085-21)**. He has guided over 47 undergraduate projects and actively engages in faculty development programs. A member of **IAENG** and **IACSIT**, he continues to contribute to academic excellence and technological advancement.
