

**Mr. Maneesh Singhal**

**Assistant Professor**

**Ph.D. (Pursing), M.Tech.(CSE), B.Tech(CSE),  
Diploma (Optical Fiber and Communication)**

**Mr. Maneesh Singhal** is currently serving as an **Assistant Professor at Icfaitch (Faculty of Science and Technology), The ICFAI University, Jaipur, Rajasthan.** With over 13 years of experience in academia, he has consistently demonstrated expertise in the domain of Computer Science and Engineering.

He holds a **Master of Technology (M.Tech) in Computer Science** from **Government Engineering College, Kota (Rajasthan Technical University, 2014)**, a **Bachelor of Technology (B.Tech) in Computer Science** from Uttar Pradesh Technical University, Lucknow (2009), and a Diploma in Electronics with a specialization in Optical Fiber and Communication from Government Polytechnic College, Jodhpur (2006). He is presently pursuing a Ph.D. in Computer Science and Engineering from Amity University, Jaipur.

Mr. **Maneesh Singhal's** academic and research interests span a broad range of topics, including **Operating Systems, Data Mining, Computer Architecture, Internet of Things (IoT), Software Engineering, Database Management Systems, Artificial Intelligence, and Machine Learning.** He has contributed to scholarly literature through several publications in reputed journals. He is also the author of the book *“Digital Marketing for Beginners”* (Walnet Publication).

In addition to his teaching and research activities, **Mr. Maneesh Singhal** has completed an NPTEL certification in **“Introduction to Internet of Things”**. He has actively participated in faculty development programs and workshops focusing on Full Stack Development, Artificial Intelligence, Cloud Computing, IoT-based Applications, and Design Thinking.

He remains committed to fostering innovation and excellence in computer science education and applied research.
