

PROF. (DR.) G. N. SHARMA
PRINCIPAL
ICFAI SCHOOL OF PHARMACEUTICAL SCIENCES
THE ICFAI UNIVERSITY, JAIPUR
Email: principal.pharmacy@iujaipur.edu.in

Prof. (Dr.) G. N. Sharma is a distinguished academician, researcher, and administrator with over 18 years of experience in higher education, pharmaceutical sciences, research management, and institutional development. Currently serving as Principal and Professor at the ICFAI School of Pharmaceutical Sciences, The ICFAI University, Jaipur, he has established himself as a visionary leader committed to academic excellence, innovation, and quality enhancement in pharmaceutical education.

Throughout his professional journey, Dr. Sharma has played pivotal roles in strengthening academic institutions, developing research ecosystems, mentoring future professionals, and ensuring compliance with national regulatory standards. His expertise spans academic administration, pharmacology, accreditation processes, curriculum development, and institutional quality assurance.

Professional Journey

Dr. Sharma began his academic career in 2008 as an Assistant Professor of Pharmacology and gradually advanced through various academic leadership roles due to his consistent contributions in teaching, research, and administration. He has served as Associate Professor, Professor, Coordinator, Head of Department, Principal and Dean, in various institutions offering Pharmaceutical Education.

Across these roles, he has contributed to academic governance, faculty development, research promotion, student mentoring, accreditation processes, and strategic institutional planning.

Academic and Research Excellence

Dr. Sharma possesses a strong academic foundation with a Ph.D. in Pharmaceutical Sciences, M. Pharm (Pharmacology), and B. Pharm. His academic career reflects a sustained commitment to knowledge creation and dissemination.

Key Research Achievements with

- ❖ **98+ Research and Review Publications** in reputed national and international journals with Citation Score-2495, h-index -18 and i10-index-35 as on date.
- ❖ **21 Patents** and Design Registrations at Indian and international levels.
- ❖ **12 Academic Books** Published covering Pharmacology, Pathophysiology, Hospital & Clinical Pharmacy, Pharmacognosy, Pharmaceutics, and Pharmaceutical Analysis.
- ❖ **02 Book Chapters** published in recognized academic publications.
- ❖ **08 Ph.D. Scholars** Successfully Guided to completion.
- ❖ Supervision of numerous postgraduate dissertations and research projects.

His research contributions have significantly advanced the fields of pharmacology, herbal drug research, nanotechnology-based drug delivery systems, clinical pharmacy, and pharmaceutical education.

Leadership in Institution Building

A hallmark of Dr. Sharma's career has been his ability to strengthen academic institutions through strategic leadership and collaborative governance.

His major contributions include:

- ❖ Development and implementation of academic policies and quality systems.
- ❖ Strengthening research culture and publication output.
- ❖ Establishment and enhancement of infrastructure for quality pharmacy education.
- ❖ Successful coordination of statutory and regulatory requirements.
- ❖ Promotion of industry-academia interaction and experiential learning.
- ❖ Mentoring young faculty members for academic and professional growth.
- ❖ Driving institutional readiness for accreditation and quality assurance frameworks.

Professional Recognition & Academic Service

- Former Secretary & Life Member, Rajasthan State Branch, Society of Pharmaceutical Education & Research (SPER)
- Life Member, Association of Pharmaceutical Teachers of India (APTI)
- Life Member, Education Research and Development Association (ERDA)
- Reviewer and Editorial Board Member of multiple national and international journals
- Member, Institutional Animal Ethics Committees in various organisations (IAEC)
- Member, Boards of Studies and Academic Committees of various institutions
- Approved Examiner and Research Evaluator for several universities
- Invited as a speaker, resource person, and expert member at numerous national and international academic forums.
- Awarded by Adarsh Shiksha Samiti, and Prof. M. L. Schroff Pharma Recognition Award

Notable Achievements

❖ Academic Leadership

- Led academic and administrative operations of premier pharmacy institutions.
- Contributed significantly to curriculum development and outcome-based education initiatives.
- Played key roles in institutional quality enhancement and regulatory compliance.

➤ Research & Innovation

- Extensive publication record with impactful research contributions.
- Multiple patents and innovations in pharmaceutical formulations and healthcare technologies.
- Active promoter of interdisciplinary and translational research.

➤ Conference & Professional Engagement

- Organized National and International Conferences, Faculty Development Programs, Workshops, and Research Events.
- Served as Organizing Secretary and Scientific Committee Member for major academic conferences.
- Delivered invited lectures on pharmaceutical sciences, pharmacology, research methodology, and healthcare innovation.
