EDITOR'S NOTE

Dear Readers,

It is a pleasure to release the present issue of the ICFAI University newsletter "Kshitiij" Vol. 4 No.: 3 July 2022. The newsletter is a reflection of University's success, achievements and excellence. The propagation of knowledge is accomplished through the efforts of management, faculty, staff and students via seminars, webinars, invited lectures, SWAYAM courses, training programs, MoU and faculty development programs. These incorporate various activities such as alumni talk series, entrepreneurship talks, expert talks, MOOCS and Moot Court programs. The University faculty outreach activities in the current period have been demonstrated in the form of participation in workshops and FDPs, expert lectures, paper publications and patent publications. The month of August 2022 marked the starting of the new session, semester I, 2022-23. The orientation of the new students includes teacher-student mentorship; expert lectures and cultural activities through a week long program. We wish a successful journey of the newcomers at IUJ.

Hope you will enjoy reading of this edition of ICFAI newsletter "Kshitiij" and we will be happy to accept your feedback as it helps us to improve the upcoming editions.

"योग: कर्मसु कौशलम"

In the end I wish to motivate my ICFAI family in the words of Swami Vivekananda, "All power is within you; you can do anything and everything"

Dr. Satyavir Singh
Editor

Message from The President

Prof (Dr) H P Singh, VSM

My compliments to the editorial team for bringing out the University Newsletter Kshitij well in time for the release in end July 2022.

The last three months have been very progressive with the complete academic & research activities having been progressed in offline mode. The end semester examinations were conducted in compliance to the Academic calendar and completed by Mid-June 2022. My compliments to all the three Schools for ensuring a smooth and successful completion of the Academic year 2021-22.

After a period of almost two years, a Freshers' cum farewell party, "Impressions 2022" was organized in the campus on 11th May 22. It was an extremely well organized party with full attendance and the passing out students were given a sendoff in line with the ethos of the ICFAI Universities. The first year students enjoyed their welcome party and mingled freely with their senior batches. A congenial environment of bon homie & camaraderie was witnessed in the campus.

The new batch of MBA joined the University on 15th May 22 and an orientation programme of 15 days was undertaken for them to familiarize with the University and

its processes. During this period, various motivational lectures were conducted and the students were taken around in the city of Jaipur for their industrial cum recreational tours. The second year students also joined the University on 01 June 22 post their internship in various companies.

I am very glad to note that the outcome of placements, for the batches passed out in 2022, has been very heartening & encouraging. While the quality of companies coming to the campus & the average salary packages of all batches have improved substantially, the three international placements for MBA 2022 and a package of Rs. 20.75 lakhs for a B.Tech student were something to cheer about. My compliments to the Placement department & the three Deans of schools for the splendid job.

I am happy to note that the University has been able to add accommodation for 30 girl students by taking a building on lease for three years. The University is committed to augment & improve the hostel, academic & research infrastructure in future and all activities for the same are in advanced stage.

Best Wishes

Jai Hind...

Events Highlights!

Non-scholastic (fun) activities!

The Literary committee of ICFAI Law School organized an orientation program on Model United Nations (MUN) Debate on Wednesday, 27th April 2022 in the seminar hall of the campus at 3.00 PM. The session was aimed to impart knowledge to the ICFAI Law students about the concept and technicalities of debating in Model United Nations (MUN) competitions.

Legal Aid Committee of ICFAI Law School has organized a visit to the Rajasthan High Court, Jaipur Bench for the students for the students of BA-LLB (H) and BBA-LLB (H), Batch 2018-23, on 18th May 2022. Students witnessed proceedings of the High Court which including the Single Bench and Division Bench between 11:30 AM-12:30 PM. Post observations of the proceedings of the High Court, students visited the Rajasthan State Legal Service Authority and had a fruitful interaction with Ms. Poonam Dargan, Director, Rajasthan State Legal Service Authority.

Legal Aid Committee of ICFAI Law School has organized a visit to the Jawahar Nagar Police Station, Jaipur for the students of BA-LLB (H), BBA-LLB (H), Batch 2019-24, and LLB Batch 2019-22 on 18th May 2022. The students witnessed the working of the Police station which includes the Case Diary, FIR Diary and General Diary, Malkhana of the Police Station. The Students also asked questions from the Police officials about the working of Police in Crime detection and role of Police in Criminal Justice system, same is resolved in details by the Police Officials.

The talk session “IcfaiTech Success Stories Series | Big Impacts - Radiant Minds” was hosted by IcfaiTech on 18th May 2022. Mr. Yogesh Sangtani, an alumnus of IcfaiTech who is currently working with Flying Flamingos India Pvt. Ltd. as a Computer Vision Engineer, delivered the session’s keynote address.

The talk session “IcfaiTech Success Stories Series | Big Impacts - Radiant Minds” was hosted by IcfaiTech 25th May 2022. Mr. Hritik Chaturvedi, an alumnus of IcfaiTech who is currently working with Dotsquares Pvt. Ltd. as a Junior Data Scientist, delivered the session’s keynote address.

Visit to Manipal University, Jaipur: Student members of PRISM (Innovation and Entrepreneurship Club, ICFAI University, Jaipur) got an opportunity to network with industry experts and dignitaries, in “The Startup Expo - The Startup Mela 1.0” on May 19-20, 2022, held in Manipal University, Jaipur organized by The AIC-MUJ (Atal Incubation Center-Manipal University Jaipur) where young entrepreneurs showcased their innovations to industry experts, investors, and startup enthusiasts.

Events Highlights!

major goal is to offer an engaging environment where students can learn basic language and communication skills through listening and comprehension. It helps learners of all ability levels—beginners, intermediate learners, and advanced learners to communicate successfully. Each student can work independently under the facilitator's guidance, and it enables a more thorough monitoring of learning capacities.

Inauguration of Language Labs: The Language lab was inaugurated on June 7, 2022, by the President, The ICFAI University Jaipur, Prof (Dr) HP Singh, VSM, The Lab's

The Sports Club of IBS, Jaipur organized KHEL RATNA a Volleyball match between MBA 1st Year and MBA 2nd Year on 22nd June, 2022. The main objective of organizing this event was to provide opportunity to the students to showcase their talents in the sports field. MBA 2nd year won the match by defeating opponents in 2 sets.

A Workshop has been conducted in IcfaiTech for academic preparations for the next semester i.e. semester-I 2022-23 from July 4-8, 2022. Course handouts, academic rules & regulation, registration, SIMS, placements & internship preparation and examinations policy were discussed during the workshop.

Pre-Placement Training Sessions: To enhance the capability of the student, to get placed during campus placement drive, the IcfaiTech along with the placement cell started pre-placements sessions on soft skills and technical skills from July 13, 2022 onwards for B.Tech, BCA, and B.Sc. (Hons.) students, where students receive specialized pre-placement training that prepares them to successfully navigate recruiting and interview processes and make them placement ready.

Faculties' presentations: Faculty members delivered the presentation on the course curriculum allotted to faculty, teaching pedagogies; outcome based content deliveries, the spirit of NEP 2020 & value addition to enrich the overall performance for the preparation of the upcoming academic semester. The school presentations also included a mentorship plan, student feedback system, planned professional activities such as conferences/expert lectures/workshops/ industrial visits etc.

Establishment of ICFAI Liberal Arts School (ILAS) at ICFAI University, Jaipur

Liberal Arts education is a traditional program covering four major areas: Social Science, Natural Science, Humanities, and Arts. Students take up the study of Liberal Education immediately after school. This would help build a base for students to expand their knowledge and make their career in diverse fields. National Education Policy (NEP) 2020 has laid out a path for all universities to become multidisciplinary in their functioning. In view of NEP 2020, The ICFAI Schools as part of IU, Jaipur have interdisciplinary subjects related to Liberal Arts such as Political Science, English, Sociology etc.

Programs offered:

- (a) BA (English)
- (b) BA (Political Science)

Faculty Resources:

Dr. Minal Sharma
Assistant Professor,
School of Liberal Arts,
The ICFAI University,
Jaipur

Ms. Sugandha Verma
Assistant Professor,
School of Liberal Arts,
The ICFAI University,
Jaipur

IMPRESSIONS' 22

The ICAI University in Jaipur hosted IMPRESSIONS'22 a freshers-cum-farewell celebration to welcome the freshers UG Batch students and to say goodbye to the university's UG students on May 11, 2022. The event continued with a kaleidoscope show of music and dance. The highlight of the event was the Ms. & Mr. fresher contest, the various rounds of which were judged by a panel.

Dazzling Queen & Dapper King	Apoorva Rathore (IBS) & Aviraj Singh (IBS)
Lady and Man of the evening	Rajshree Chauhan (IBS) & Param Kandelwal (ITS)

Faculty Write-up

Forensic Science - Under the microscope!

Dr. Surbhi Jain

Assistant Professor,
IcfaiTech - IUJ

In the last couple of months, I have met a lot of students who ask me: What is Forensic Science? Why should we opt for Forensic Science? What are the scopes of Forensic Science? Forensic Science is a comparatively new field but definitely, the need of the hour. In technical language, “Forensic science as a discipline has utilized the knowledge of natural science; it includes many scientific sub-disciplines such as biological science, chemical and toxicological science, and physical science and ballistics to recognize a piece of evidence and utilize it for conviction in the court of law.” While in a layman’s language, it is Dr. Salunkhe of CID! It refers to the applications of scientific methods or procedures in order to help prove or solve a crime.

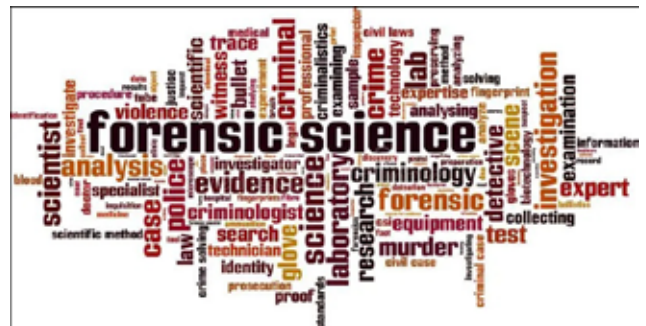

Sir Arthur Conan Doyle or popularly known as Sherlock Holmes was among the first to popularize the use of natural sciences in criminal cases through his writings in the 19th century. He was loved and adored for his ability to look into minute details and apply scientific crime detection methods in solving a crime. Scientific methods and explanations for the detection of poisons, personal identification, and the uniqueness of fingerprints were also developed in the late 1800s.

The basis of criminal investigation lies in a “principle of mutual exchange” according to which every contact leaves a trace. This was proposed by Edmond Locard of France. The study of Forensic Science is applied to:

- ▶ Recording and securing the crime scene
- ▶ Collecting and preserving potential evidence at the crime scene
- ▶ Identity identification of the victim as well as the culprit
- ▶ Providing an authentic testimony to the crime.

A person who has specialized in forensic science as a major subject can take up several career paths such as Crime Scene Investigators, Crime Lab Forensic Professionals, Forensic Pathologists, Forensic Anthropologists, Forensic Odontologists, Forensic Document Examiner, Forensic Fingerprint examiners, Forensic Biology Expert, Forensic Ballistic Expert, Forensic Chemist, Forensic Physics Expert, Cyber Forensic Scientists and much more.

Let’s make the criminals belong where they are... Behind the bars!!

Students corner (More than words..)

Selenophile

The burning star melting into the shore of an ocean,
The whole world slowly sinking, deep in the darkness of a still night.
Emitting an orb of bluish soft radiance, lightning up the dark night with hope!
A divine luminosity from above the heavens, through hushed windows of your room,
Knocking at the door of your shattered soul, illuminating your entire actuality!
Gazing into the celestial night airglow, eavesdropping a melodious ditty.
A milky tranquil star, so soothing a site for sore eyes,
like watching a beloved from afar, assuring the return of a new love!
Oh thee Moon, precious.
