President's Message

Warm welcome and gracious invite for the ICFAI University, Jaipur UG Students' Placements 2026. Our students of batch 2026 are ready for placement, and for contribution of their worth to the national developmental efforts. Needless to say, our students are perfect blend of intellect, tech savvy and social ethos.

It gives me immense pleasure to acknowledge that at the University, we are committed to fostering an environment of excellence, innovation, and holistic development. Our primary goal is to equip our students with the knowledge, skills, and values that will enable them to excel in their chosen careers and make meaningful contributions to society.

Our university has always strived to maintain a dynamic curriculum that evolves with the ever-changing demands of the global job market. We take pride in our strong industry connections, which ensure that our students receive not only theoretical knowledge but also practical, hands-on experience through internships, workshops, and collaborative projects.

The University has now implemented the Outcome Based Education (OBE) with effect from the Academic year 2024-25 which is empowering our students with specific skills needed by the industry and corporate sector. Further the implementation of the NEP 2020 in true spirit is providing transformative journey to the students and facilitating them to become leaders with requisite skills, merit and ethics. Our dedicated faculty members are at the forefront in their respective fields, bringing a wealth of expertise and a passion for teaching that inspires our students to achieve their highest potential.

We understand that the transition from academia to the professional world can be challenging. That is why our Placement Cell works tirelessly to bridge the gap between students and potential employers. Through personalized career counselling, skill development programs, and networking opportunities, we aim to prepare our students to confidently step into their future roles.

To our industry partners, we extend our gratitude for your continued support and collaboration. Your involvement is crucial in shaping the careers of our students and helping the university in maintaining its position as a leading institution of higher learning.

To our students, I encourage you to take full advantage of the opportunities presented to you. Be proactive, stay curious, and always strive for excellence. Remember that your journey at the ICFAI University is just the beginning of a lifelong pursuit of knowledge and growth.

Best Wishes

Prof (Dr) H.P. Singh, VSM
President

The ICFAI Universities

ICFAI has established 11 Universities across India. The ICFAI Universities are located at Hyderabad [The ICFAI Foundation for Higher Education (IFHE), which is a Deemed-to-be University], Himachal Pradesh (Baddi), Dehradun, Jaipur, Jharkhand, Meghalaya, Mizoram, Nagaland, Raipur, Sikkim and Tripura.

ICFAI Foundation for Higher Education, Hyderabad

The ICFAI University, Raipur

The ICFAI University, Himachal Pradesh (Baddi)

The ICFAI University, Meghalaya

The ICFAI University, Jharkhand

The ICFAI University, Nagaland

The ICFAI University, Dehradun

Founder's Profile

Mr. N. J. Yasaswy
(1950-2011)

Mr. N. J. Yasaswy (1950–2011), founder of the ICFAI Group of educational institutions and a pioneer in promoting higher education in the private sector had a brilliant academic career: B.Com (Andhra University 1969 – First Rank), CA Inter (May 1971 – First Rank), CA Final (May 1973 – First Rank), ICWA Inter (July 1970 – First Rank) and ICWA Final (July 1972 – First Rank). He was the recipient of the Basu Foundation Award for the Best Student of the Year from both – The Institute of Cost and Works Accountants of India (in 1972) and The Institute of Chartered Accountants of India (in 1973).

During 1974–1980, Mr. Yasaswy was associated with the Administrative Staff College of India as a Faculty Member. In 1981, he started his consultancy firm, Yasaswy Management Associates Private Limited, Hyderabad.

Mr. Yasaswy was appointed by the Government of Andhra Pradesh as Chairman, Andhra Pradesh State Trading Corporation (1985–88), and Vice-Chairman, Public Enterprises Management Board (1986–88). He was a visiting faculty member at the Indian Institute of Management-Ahmedabad (1986–88) and was nominated as a Member on the SEBI Committee on Accounting Standards. He was a member of the Board of Directors of the Association of Certified International Investment Analysts (ACIIA), Switzerland. He authored several books on finance and investments.

Mr. Yasaswy set up the ICFAI as a single institute in 1985 without governmental sops or institutional funding, in an era where government support was the norm. He chose to spend all his energy on the fledgling institution which over the years grew to become a monument to what ambition can deliver. He was instrumental in building several business schools and universities in the developing states of India, particularly in the North- East region. He stood for professional management, excellence in the quality of education offered in the ICFAI institutions, and absolute discipline.

He was charismatic, a great teacher, an institution builder, a visionary and a genius who was years ahead of his time. His vision will continue to guide ICFAI forever.

The ICFAI University, Jaipur

The ICFAI University, Jaipur has been established under The ICFAI University, Jaipur Act, 2011 (Act No. 26 of 2011) passed by Legislative Assembly of Rajasthan. The University has been notified under Notification No. F. 2(26) Vidhi/2/2011 dated September 22, 2011. The University is sponsored by The ICFAI Society - a not-for-profit educational society established in 1984.

Accreditations:

The University is empowered to award degrees under Section 22 of the UGC Act, 1956. The University is a Member of the Association of Indian Universities (AIU), New Delhi and also the Member of Association of Commonwealth Universities (ACU), London.

The University believes in creating and disseminating knowledge and skills in core and frontier areas through innovative educational programs, research, consulting, publishing and developing a new cadre of citizens with a high level of competence and deep sense of ethics and commitment to the code of professional conduct.

Campus Infrastructure:

The ICFAI University, Jaipur is spread over an eco-friendly campus of 40 acres with total constructed built up area of over 3.53 Lakh sq. ft. (in addition to the large basement) in the foot hills of Aravalis with spick & span classrooms, laboratories, workshops, cafeteria, student welfare facilities, playground, etc. The library, with reading room capacity of over 100 students, possesses about 19,000 books, 98 Journals and 07 Database. The entire campus is Wi-Fi enabled.

PROGRAMS

The ICFAI University, Jaipur offers career oriented educational programs at doctoral, postgraduate, and undergraduate levels in management, commerce, law and science & technology.

ICFAI Business School

ICFAI Business School (IBS) (Faculty of Management) is a constituent of the ICFAI University, Jaipur. IBS offers Management and Commerce programs with latest pedagogy at UG, PG and Doctoral level namely: BBA, BBA (Business Analytics), BBA (FinTech), B.Com (Hons), MBA and PhD. IBS is focused

BBA (Hons) Program

The BBA (Hons) Program prepares the students with the knowledge, skills and strategic perspectives essential to business leadership and a managerial career. The program offers a range of contemporary elective courses to prepare the students for careers in emerging domains, aligning with the specific areas of their interest.

Duration: 3 years / 4 years

Eligibility: Pass in Class XII (or equivalent) in any discipline with 50% and above aggregate marks. Class XII students awaiting final examination results are also eligible to apply.

Program Structure:

The BBA (Hons) Program is divided into 6/8 semesters spread over 3/4 years. The program covers core courses, electives, interdisciplinary, ability enhancement courses, skill enhancement courses and value-added courses.

Award of Degree: Students who successfully complete the BBA (Hons) Program are awarded the Bachelor of Business Administration degree by the ICFAI University; Jaipur subject to University regulations

Note:

- Students exiting the programme after securing 43 credits will be awarded UG Certificate if they secure additional 4 credits in summer internship.
- Students exiting the programme after securing 86 credits will be awarded UG Diploma if they secure additional 4 credits in summer internship
- Students who secure 75% marks and above in the first six semesters and wish to undertake research at the UG level can choose a research stream in the fourth year.

BBA (Business Analytics) (Hons) Program

The BBA (Business Analytics) (Hons) is an 6/8 semester, 3/4 year, full time under-graduate program that prepares students for specialist roles in business data processing and data driven decision making. The program aims at imparting key skills through exposure to contemporary tools and techniques in data mining, advanced statistical analysis, decision science, data management, and data processing algorithms; besides developing key insights into various managerial roles and competencies. The program offers a carefully curated list of elective credits to further hone the skills of students in specific areas of their interest.

Duration: 3 years / 4 years

Eligibility: Pass in Class XII (or equivalent) in any discipline with 50% and above aggregate marks. Class XII students awaiting final examination results are also eligible to apply.

Program Structure: The BBA (Business Analytics) (Hons) Program is divided into 6/8 semesters spread over 3/4 years. The program covers core courses, electives, interdisciplinary, ability enhancement courses, skill enhancement courses and value-added courses. The University follows a Credit-based semester system of teaching-learning and evaluation.

Award of Degree: Students who successfully complete the BBA (Business Analytics) (Hons) Program are awarded the Bachelor of Business Administration (Business Analytics) (Hons) degree by the ICFAI University, Jaipur subject to University regulations.

Note

- Students exiting the programme after securing 43 credits will be awarded UG Certificate if they secure additional 4 credits in summer internship.
- Students exiting the programme after securing 86 credits will be awarded UG Diploma if they secure additional 4 credits in summer internship
- Students who secure 75% marks and above in the first six semesters and wish to undertake research at the UG level can choose a research stream in the fourth year.

BBA (Fintech) (Hons) Program

The BBA (Fintech) (Hons) is an 6/8 semester, 3/4 year, full time under-graduate program that blends core concepts of finance with emerging trends in technologies like block chains, artificial intelligence, machine learning, cloud and remote computing, cryptography, and other associated disciplines. The program specifically equips students with skills and techniques, incorporating latest innovations in creation and management of technology enabled financial services.

Duration: 3 years/4 years

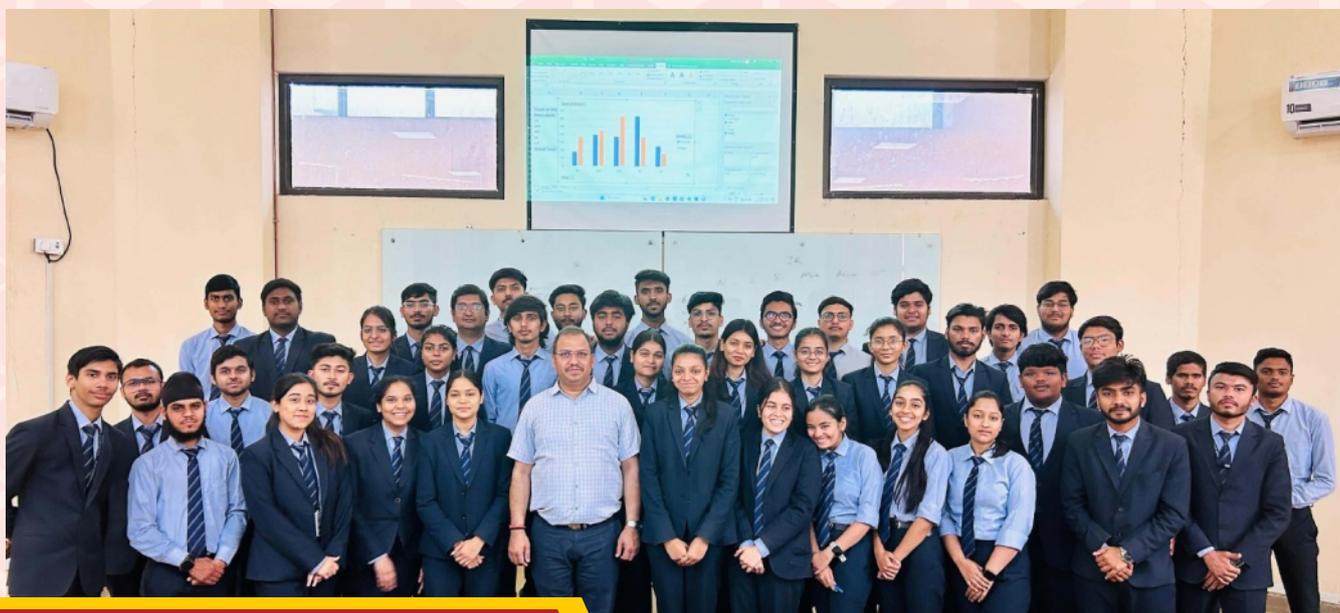

Eligibility: Pass in Class XII (or equivalent) in any discipline with 50% and above aggregate marks. Class XII students awaiting final examination results are also eligible to apply.

Program Structure: The BBA (Fintech) (Hons) Program is divided into 6/8 semesters spread over 3/4 years. The program covers core courses, electives, interdisciplinary, ability enhancement courses, skill enhancement courses and value-added courses.

Award of Degree: Students who successfully complete the BBA (Fintech) (Hons) Program are awarded the Bachelor of Business Administration (Fintech) degree by the ICFAI University, Jaipur subject to University regulations

Note:

- Students exiting the programme after securing 43 credits will be awarded UG Certificate if they secure additional 4 credits in summer internship.
- Students exiting the programme after securing 86 credits will be awarded UG Diploma if they secure additional 4 credits in summer internship
- Students who secure 75% marks and above in the first six semesters and wish to undertake research at the UG level can choose a research stream in the fourth year.

B.Com (Hons) Program

The curriculum of B.Com (Hons) Program provides a carefully selected subject combination of accountancy, economics, management & decision science, banking & insurance and commercial law.

The program prepares the students with the knowledge, skills and attitude to meet the challenges of the modern-day business organizations and also equips them to pursue M.Com or MBA degree program and other professional courses further.

Duration: 3 years / 4 years

Eligibility: Pass in Class XII (or equivalent) in any discipline with 50% and above aggregate marks. Class XII students awaiting final examination results are also eligible to apply.

Program Structure: The B.Com (Hons) Program is divided into 6/8 semesters spread over 3/4 years. The program covers core courses, electives, interdisciplinary, ability enhancement courses, skill enhancement courses and value-added courses.

Award of Degree: Students who successfully complete the B.Com (Hons.) Program are awarded the Bachelor of Commerce (Hons.) Degree by the ICAI University, Jaipur subject to University regulations.

Note:

- Students exiting the programme after securing 43 credits will be awarded UG Certificate if they secure additional 4 credits in summer internship.
- Students exiting the programme after securing 86 credits will be awarded UG Diploma if they secure additional 4 credits in summer internship.
- Students who secure 75% marks and above in the first six semesters and wish to undertake research at the UG level can choose a research stream in the fourth year.

ICFAI Law School, Jaipur

The ICFAI Law School (Faculty of Law), a constituent of the ICFAI University, Jaipur is established to develop a new generation of legal professionals through the comprehensive and contemporary body of knowledge integrating law with management and humanities.

BA-LL.B (Hons.) and BBA-LL.B (Hons.) Program

The ICFAI Law School offers full-time 5 year Integrated BBA-LL.B (Hons.) and BA-LL.B (Hons.) Programs which are approved by the Bar Council of India (BCI).

Duration: Five years

Eligibility:

- Pass with 50% and above aggregate marks in Class XII or equivalent in any discipline (Best of the 5 subjects including English). Scores of the Common Law Admission Test (CLAT), Law School Admission Test (LSAT) and the ICFAI Law School Admission Test (ILSAT 2025) will be given weight age. Students appearing for final examinations and awaiting results are also eligible for admission.
- Applicants should not be more than 21 years of age as on the day of commencement of the program. However, the changes if any made to age limitation by the BCI from time to time will be followed.

Program Structure:

- The curriculum is most contemporary and innovatively designed and developed in association with academicians and professional experts as per the guidelines of the Bar Council of India. The programs are organized into ten semesters spread over five years. There is One Legal Internship after each year and a total Five Internships during the entire course.

The LL.M. Program

The Centre for Post-graduate Legal Studies, The ICFAI University Law School, Jaipur offers one - year full-time, campus-based LL.M program in two groups of specialization (i) Corporate and Commercial Laws (ii) Criminal Law.

The program emphasizes theoretical learning with an extensive research-oriented approach through research projects, tutorials, mid-term exams, and other written assignments.

Duration: One year

Eligibility: Three-year or five-year Bachelor's degree in law with a minimum 50% marks or equivalent CGPA. The candidates awaiting the results of the qualifying examination are also eligible.

Admission Criteria: The selection of applicants into the program is made through an application, a written admission entrance exam conducted by the ICFAI Law School followed by an interview. The Admission decision will be communicated after the interview process. All the selected students will be required to pay the admission fee towards confirmation of seat.

Program Structure: The program comprises 10 courses in each group. Out of 10 courses, there are 4 compulsory courses in each group of specialization including 1 dissertation and 6 electives/optional courses in each group. Each group of specialization is of 26 credits. In addition, the program shall have one non-credit course in each group of specialization and tutorials/research project assignments etc. The entire program/course thus is spread over 2 semesters.

Award of Degree: Students who successfully complete the LL.M 1-Year Program will be awarded the Master of Laws degree by the ICFAI University, Jaipur subject to University rules and regulations.

Group-I Corporate and Commercial Laws

List of Electives Courses

- Law and Justice in a Globalizing World
- Dissertation

List of Non-Credit Courses

- Cyber - crimes
- Criminal Psychology & Restorative Justice
- Transnational crimes

IcfaiTech (Faculty of Science & Technology) School

IcfaiTech (Faculty of Science & Technology), is a constituent of the ICFAI University, Jaipur. IcfaiTech offers engineering and science programs with latest pedagogy namely; B.Tech, B.Sc. (Hons.) BCA (Hons.), BCA (Hons.) (DS), BCA (Hons.) (AI & IoT), BCA (Hons.) (Cyber Security), BCA (Hons.) (Full Stack Development), BCA (Hons.) (Mobile Applications & Web Technology), BPT, Diploma in Mechanical Engineering, Diploma in Mechanical Engineering (Electric & Hybrid Vehicles), MCA, MSc Forensic Science and M.Tech Programs.

The B.Tech / B.Tech (Lateral Entry) Program

B.Tech. Program is a four-year, eight-semester, full-time, campus-based program. The Program provides cutting edge education to equip students with comprehensive and critical understanding in various branches of engineering.

The following branches of Engineering are offered:

- CSE
- CSE (AI & ML)
- CSE (DS & AI)
- Mechanical Engineering
- ECE (VLSI Design)

Duration: Four years

Eligibility: B.Tech Pass in Class XII or its equivalent with minimum 50% marks in aggregate with pass in Mathematics, Physics, English and any one of the following subjects: Chemistry or Biology or Biotechnology or Computer Science. Class XII students awaiting final examination results are also eligible to apply.

B.Tech (Lateral Entry): Students who passed 3 year Diploma in Engineering in respective discipline / 3 year B.Sc / B.Sc (Hons.) with Mathematics as a compulsory subject in Class XII with minimum 50% of marks are eligible for Lateral Entry and join 3rd semester of the B.Tech Program.

Admission Process: Admission is through Merit in Class XII and Interview.

Internship Program

At IcfaiTech, during the four-year study for B.Tech. Program, students undertake two internship programs of total duration 30 weeks, at professional locations, where the students and faculty get involved in the ongoing projects. The Internship program courses form part of the curriculum of B.Tech and conducted like on-campus courses.

Internship program-I (IP-I) is for 8 weeks during the summer term following the second year. This in fact provides first exposure to students to understand how the corporate worlds work like an organization, systems management, business models, marketing etc.

Internship Program-II (IP-II) is for 22 weeks duration and can be done in any of the two semesters of final year. During Internship Program-II (IP-II), final year students work on live projects in industries for about five and half months. Students have been going to various industries and national research laboratories for their Internship for

several years and their contribution has been much appreciated.

Benefits to the Students:

- Opportunity to work on real-life problems in actual working conditions
- Development of useful work-related skills
- Enhanced placement opportunities
- Opportunity to earn while learning.

Benefits to the External Organization:

- Value addition through the participation of students and the faculty in project work directly relevant to the organization
- Direct contribution to industrial productivity
- Direct access to expertise available with the Institute
- Access to students who work as temporary employees of the organization.

Benefits to the Institute:

- Hands-on training facilities to its students
- Faculty development through involvement with the students in real-time Projects
- Curriculum updation through feedback from industry
- Consultancy opportunities.

The B.Sc (Forensic Science) (Hons.) Program

B.Sc. (Forensic Science) or Bachelor of Science in Forensic is an undergraduate science course. The duration of the course is three years. The course deals with most scientific ways in which various kinds of crime and activities can be proved. Forensic science is a crime and laboratory-based profession. The expertise of a professional is also used in civil cases also like providing validity of signature on a will, insurance claims, product liability claims, environmental issues, etc.

Duration: 3 years/4 years

Eligibility: Pass in Class XII (or equivalent) in Science stream with 50% and above aggregate marks. Class XII students awaiting final examination results are also eligible to apply.

Suitability of Program: B.Sc. (Forensic Science) program is suitable for the aspirants who have the ability of keen observation and can concentrate on the minute details. Those who have analytical skill and logical thinking in context of land, of the law, time, era and existing situation and have reasoning, thinking and analytical skills are best suited for the program. The program provides massive employment opportunities with –

- Forensic Laboratories
- Police Department
- Crime Branches
- Security Agencies
- Insurance Agencies
- College and Universities

Job Categories

- Insurance Investigators
- Cyber Forensic Experts
- Crime Scene Investigator
- Police Officers
- Environmental Investigator Private Investigator
- Forensic Scientist
- Forensic Consultant
- Forensic Researchers

At the ICFAI University, the students will get the opportunity to learn with the expert faculties in the concerned areas.

The BCA Program

Bachelor of Computer Applications (BCA) program provides a sound academic base in computer skills and applications from which an advanced career in computer applications can be pursued. The students get a good conceptual grounding in computer usage and its practical business applications.

Duration: 3 years/4 years

Eligibility: Pass in Class XII (or equivalent) in any discipline with 50% and above aggregate marks. Class XII students awaiting final examination results are also eligible to apply.

Main features of the New Curriculum Framework:

- Introducing holistic and multi disciplinary undergraduate education
- Adoption of flexible curricular structures in order to enable creative combinations
- Multiple entry and exit options
- Bachelor of Computer Application (BCA) with minor in
 - Artificial Intelligence & Internet of Things (AI & IoT)
 - Data Science
 - Full Stack Development
 - Mobile App & Web Technologies
 - Cyber Security

Diploma in Mechanical Engineering Program

Diploma in Mechanical Engineering Program provides a sound academic base in the field of Mechanical Engineering. Curriculum of the course is specially designed to provide students more practical knowledge which enhances the skills of the students. The unique curriculum includes internship program which provides real time industrial exposure on live projects to get better opportunities in the competitive world.

Duration: Three Years

Eligibility: Pass in Class X with minimum 35% of marks (Passed Science and Math's papers separately) or equivalent.

For Lateral Entry: Pass in Class XII with PCM or 2 years ITI program or equivalent.

Diploma in Mechanical Engineering (Electric & Hybrid Vehicles) Program

Diploma in Mechanical Engineering (Electric & Hybrid Vehicles) Program provides a sound academic base in this field. Curriculum is designed to provide more practical knowledge to enhance the skills and real time industrial exposure on live projects during Internship.

A student is trained on subjects of professional domain, engineering drawing, workshop practice. In addition to this, a candidate is required to perform project work and extracurricular activities to build up confidence. The practical skills are imparted along with theory subjects for more understanding so that student can apply knowledge in tasks.

The course content broadly covers different systems and sub systems of electric and hybrid vehicle. Testing, Repairing and Maintenance of different components such as Motors and its controller, air conditioning, sensor, energy Management system, Charging system, Braking system.

Duration: Three Years

Eligibility: Pass in Class X with minimum 35% of marks (Passed Science and Math's papers separately) or equivalent.

For Lateral Entry: Pass in Class XII with PCM or 2 years ITI program or equivalent.

The MCA Program

The ICFAI University offers the MCA Program. The course helps in meeting the rising demand for qualified and skilled professionals in the field of IT. The MCA course is prone more towards the development of applications hence, give more importance to the latest programming tools and languages in an attempt to develop faster and better apps.

Duration: Two Years

Eligibility:

- Pass in BCA / B.Sc. (IT) / B.Sc. (Computer Science) or equivalent degree or pass in B.Sc / B.Com / BA degree with Mathematics as one of the subjects at 10+2 level or at Graduation level with minimum 50% aggregate marks
- Candidates who did not take math throughout their 10+2 or bachelor's degree programs must also take and pass a mandatory four-week bridge courses in addition to the first semester course.

Four-Week Bridge Course for Master of Computer Application

- Fundamentals of Computer Science
- Fundamental Mathematics for Computer Application

Electives (General):

- Wireless Network, Artificial Intelligence, Soft Computing, Internet of Things, Image Processing, Mobile Application Development, Digital Logic and Design,

Data Warehousing and Mining, Multimedia Computing, Cloud Computing, Human Computer Interaction, Theory of Computation, Computer graphics and Animation, Machine Learning, Full Stack Development, Big Data Analytics using Python, Natural Language Processing, Block chain Technology, NoSQL Database System.

Electives (Specialization in AI and DS):

- Artificial Intelligence, Machine Learning, Human Computer Interaction, Artificial Neural Network, Soft Computing, Image Processing, Expert Systems, Computing for Data Science, Numerical Methods with Python, Natural Language Processing, Cloud Computing, Data Visualization, Exploratory Data Analysis, Big Data Analytics, Times Series Analysis, Data Analytics using MS Excel and SQL.

Electives (Specialization in Cyber Security):

- Introduction of Cyber security, Cyber Security Techniques and Tools, Machine Learning, Information Security, Cloud Computing, Cyber Forensic, Cyber Law, Steganography, Security Assessment and Risk Analysis, IT System and Network Security, Networks Cyber Security, Ethical Hacking and System Defense, Infrastructure Security, Cyber Threats and Intelligence.

Electives (Specialization in Cloud Computing):

- Introduction to Cloud Computing, Principles of Virtualization, Installation and Configuration of Server, Cloud Infrastructure Management, Basis of Server Operating System, Storage and Data Centre, Community Cloud, Salesforce, Cloud Web Services, Cloud Security, Business Intelligence using Cloud, Open Stack, Cloud Migration, Cloud Computing Solutions, Linux Administration.

List of Open Elective Courses

- Economics, Stress Management, Digital and Social Media Marketing, Introduction to Psychology, Human Right and Criminal Justice System, Intellectual Property Rights.

ICFAI School of Liberal Arts

The ICFAI School of Liberal Arts is a constituent of the ICFAI University, Jaipur. The School is offering Bachelor's degrees in Political Science, Economics and Psychology.

The Bachelor of Arts Program is a four years' degree program offered by the University with a view to impart in- depth knowledge and broad understanding of Humanities and Social Sciences. A student can opt B.A. program, depending on fulfilment of the eligibility criteria.

The BA program focuses on training the students in the areas of Economics, History, Political Science, Information Science, English, Linguistics, Education, Philosophy, and Soft Skills. This course aims to prepare the students in the skills required of a Playwright, Administration Officers, Journalists, Orator, and Creative Writer; and equips them to pursue MA degree program in due course.

The BA (Hons.) Program

The Bachelor of Arts Program is a four years' degree program offered by the University with a view to impart in-depth knowledge and broad understanding of Humanities and Social Sciences. A student can opt B.A. program, depending on fulfilment of the eligibility criteria.

The BA program focuses on training the students in the areas of Economics, History, Political Science, Information Science, English, Linguistics, Education, Philosophy, and Soft Skills. This course aims to prepare the students in the skills required of a Playwright, Administration Officers, Journalists, Orator, and Creative Writer; and equips them to pursue MA degree program in due course.

Duration: 3 years / 4 years

Eligibility: B.A. Program (in respective disciplines):

- Pass in 10+2 (any discipline) with minimum 50% aggregate marks.
- The students awaiting final examination results may also apply.

Program Details: The B.A. Political Science program consists of 45 courses covered in Eight semesters spread over four years. The actual choice of electives will however depend on the optimal number of students opting for the same elective. Four Ability Enhancement Compulsory Courses (AECC), Three Skill Enhancement Courses (SEC) and four Common Value Added Courses (CVC) are also the part of the curriculum. While AECC are based upon the content that leads to knowledge enhancement, the SECs are value based and/or skill based. In particular, SECs like English Language Lab and Computers provide students with practical knowledge aimed at providing hands on training through latest application software.

Award of Degree: Students who successfully complete the Program will be awarded the Bachelor of Arts in Political Science with Hons. Degree by the University.

Extra & Co-curricular Activities

Co-curricular Activities: Students are encouraged to involve in several co-curricular activities which help them improve communication skills; develop the right kind of attitude; enhance leadership qualities and abilities; manage stress levels; emerge as team players; refine interpersonal skills and develop group skills. The University has sports and recreation facilities for badminton, basketball, volleyball, table tennis, caroms, football and cricket.

Alumni Society:

The University has established an Alumni Society. All students are required to seek membership in the society. Students who successfully complete the Program will be awarded membership.

Resources and Facilities

Faculty Resources: The University plays a significant role in ensuring quality education is imparted to students through interactive teaching. The faculty brings in their extensive knowledge, professional experience and advanced education to their task at the University. They are practicing professionals and academicians drawn from industry and leading institutions. The commitment to teaching shapes their involvement with the students. Faculty members emphasize on both theory and practice in the classrooms.

Computing Facilities: The University is equipped with two Computer Labs along with Projection System catering to the needs of Engineering, Law and Management Students. All Computers in the Labs are well connected with internet and are backed up with UPS Power. Faculty Members are also provided with Computer facilities with Internet Connection. The entire campus is Wi-Fi enabled.

IIEC: The ICAI University, Jaipur had constituted the IUJ-Innovation and Entrepreneurship Cell (IIEC) effective 8th January, 2020. The IIEC is entrusted with the responsibility of undertaking activities and events that will encourage and enhance the innovation & entrepreneurial spirit amongst the students and faculty of ICAI University, Jaipur. The IIEC will also be the nodal council on behalf of ICAI University, Jaipur for interacting with and executing all programs and events constituted by various government, industrial and other organizations or

departments.

Library Facilities: The University has a well-stocked library. Students have access to the finest collection of contemporary books and journals which supplement the prescribed reference books and text books, providing students an opportunity to gain significant appreciation of Engineering, Management, Law and IT Subjects, going well beyond the classroom-based programs. Library is augmented with books, periodicals, journals, magazines and other publications on a regular basis.

English Language Lab: The University has a dedicated English Language Lab equipped with different kinds of audio-visual training aids and a dedicated trainer to develop and enhance English language proficiency of the students.

Seminar Presentations: Students may participate in seminars on variety of domain specific and allied topics and make presentations of the same in the class. These are done under the guidance of the faculty to hone the reading, summarizing and presentation skills of the students apart from inculcating the reading habit in students.

Guest Lectures: Guest lectures play an important role in the developmental process of the students. Eminent academicians and practicing professionals are invited for guest lectures, where students get an

opportunity to interact closely with them and understand the practical applications of various management and technical concepts and ideas.

Hostel Facility: The ICAI University offers hostel and Mess facilities to the outstation students with clean and hygienic environment. The hostels are well equipped and the Mess offers delicious and sumptuous vegetarian food to the students. There are two Boys' Hostels namely UG and PG Hostels having following types of rooms:

1. UG Hostel
2. PG Hostel
3. Girls' Hostel

The allotment of rooms in the hostels is on first-come-first-serve basis according to the policy laid down. The University has hostels outside the campus to accommodate more than 100 each of Boys & Girls students with AC and Non AC rooms.

Transport Facility: For students travelling from city to the campus, transportation facility is arranged on payment basis. ATM facility available in Campus.

Sports Facility: The ICAI University, Jaipur offers several sports and games facilities in its vast campus. The games facility of Football, Cricket, Volleyball, Handball, Badminton, Table-tennis, Kabaddi etc., are available for the students. In addition, there is a well-equipped Gymnasium where students can exercise to keep themselves physically fit.

Centre for Employability

A state-of-the-art Centre for Employability, a unique mechanism has been established at The ICFAI University, Jaipur as an innovative learning and development system to enhance the Employability Quotient of the students. Over the past several years, a strong placement network has been developed with blue-chip companies in the manufacturing, engineering, constructions, information technology, and other sectors. A number of national and multinational companies have recruited the students through campus recruitment. Our primary focus is to offer career to students rather than a job.

Training and Placement: The training and placement wing at the University looks after the training and placement activities on a full-time and continuous basis. Staffed by senior professionals and placement executives, the team initiates and maintains the University-industry dialogue and manages the summer internship program and final placement activities. The team evaluates student performance levels and ensures relevant preparation for their corporate placements. Working both at the supply and demand sides of the placement, the team plays the vital intermediary role of matching academic excellence and industry expectations. Placements depend upon not only the performance of student at degree level but also on previous academic record.

A Joint Effort: The University believes that the entire placement exercise is a joint effort between the University and the students. While the University provides guidance, support and network with potential employers, the students have the responsibility to put in the maximum possible efforts to obtain suitable placements.

Finishing School Training

A Planned and strategic approach is adopted for training Under Graduate and Post Graduate course students to improve their employability skills. The following are the training programs taken up.

(A) Campus Recruitment Training Program (CRT)

Campus Recruitment Training Program is comprehensive training module which runs for final Year UG and PG course students.

CRT mainly comprises of preparing students for attempting and clearing the preliminary written test, Technical Interview and HR Interview. Campus Recruitment Training Program comprises preparation of aptitude exam for initial screening round of the companies, Resume Writing, Group Discussions and Personal Interviews etc.

Modules of CRT Program

- Quantitative Skills
- Logical reasoning
- Comprehension
- Verbal reasoning
- Data Interpretation
- Data Sufficiency
- Resume Writing
- Group Discussion
- Personal Interview
- Mock Tests

(B) Soft Skills Training

Personality Development and Soft Skills Training is also provided internally to students to improve the employability skills.

(C) Training & Guidance from Industry Experts

Live Webinars, Workshops and sessions with leading industry experts across various domains are conducted to help Students understand recent industrial trends and developments.

Final Placement Procedure (2026)

- The company is requested to share the “**Job Description**” with our Placement Department through email.
- Pre-placement talks are organized at **The ICFAI University**, Jaipur campus during which the companies make presentation about their operations, Job Profile etc.
- Detailed resumes of the interested or eligible students are mailed to the company on request.
- If the company wishes to conduct a written test/preliminary interview/group discussion as a part of the selection procedure, it can be done on a mutually convenient date.
- Once a student receives an offer, he/she is usually not eligible to participate in the selection process of any other company through the campus.
- Companies are requested to declare the result of the selection process while on the campus.

INTERNSHIP

The selection process for internship will commence from October 2025 onwards. Companies can invite applications for internship. Students are given the option to apply to as many companies as they wish. However they are advised to opt out of the internship selection process once they receive any offer. No second offer will be permissible.
