Message from the President

Greetings!

It is my privilege to present the eleventh Annual Report (2021-22) of the University. This report covers the period from 01 Apr 2021 to 31 Mar 2022, to comply with section 39 of the ICFAI University, Jaipur Act, 2011 (Act no 26 of 2011).

The University offers a wide range of UG, PG & Doctoral programs in Sciences, Engineering, commerce, Management, Law & Liberal Arts. The University has diversified its program structure to include establishment of a new School, the ICFAI School of Liberal Arts, commencement of new programs such as B. Sc. in Forensic Sciences, BCA (Cyber Security) & Diploma in Mechanical & Civil Engineering.

The University has well equipped smart classrooms, Wi Fi enabled campus, well stocked library, sports grounds for outdoor games such as Cricket, Football, Handball, Volleyball , athletics , Basketball & indoor games such as Badminton, table tennis etc. The University infrastructure includes well maintained AC/Non AC hostel rooms, both for female & male students.

The University takes pride in having top quality faculty in the four schools. Majority of the teaching staff comes from the renowned centers of excellence in the higher education including the IITs, NITs, IIMs, NLUs and other top institutions in the country. The Faculty members are competent and have rich & varied experience of industry & academia.

The University & its integral schools have won several accolades during the year 2021. Despite the COVID 19 Pandemic, the University carried out its all-academic activities in a hybrid mode & in compliance to the Academic calendar. The University switched to complete offline mode from the month of Mar 2022. The 3rd convocation of the University was conducted on 12 Mar 2022 in which 574 students were conferred degrees. During the year, a lot of emphasis was laid on research work & Internal Quality assurance initiatives. The University had 6 patents published in the areas of Artificial Intelligence. Internet of Things (IOT) & Management. A detailed planning of establishing a Research Development Cell (RDC) was undertaken to comply with the implementation of National Education Policy (NEP 2020).

As we continue in the twelfth year of our rewarding journey, we reiterate our commitment to excellence in Academic & Research, compliance to the regulatory framework & a student centric approach for our working in the Institution. The University is decisively moving into the higher level of its service to the society and gearing up to provide the state of art facilities & innovative pedagogies to the student fraternity.

I take this opportunity to express my gratitude to Hon'ble Shri Kalraj Mishraji, His Excellency, the Governor of Rajasthan, Prof R P Kaushik. Hon'ble Chairperson of the University & esteemed Management, for their guidance & continuous support.

Prof (Dr.) H P Singh, VSM

1. Introduction

The University was established under the provisions of The ICFAI University, Jaipur Act 2011. (Act No. 26 of 2011). The University is sponsored by The ICFAI Society - a not-for-profit educational society established in 1984. The University is empowered to award degrees under Section 22 of the UGC Act, 1956.

The University emphasizes on providing high quality and industry relevant education in the areas of Management, Law, Science & Technology and Commerce. The University is a Member of the Association of Indian Universities (AIU), New Delhi and also a Member of the Association of Commonwealth Universities (ACU), London, UK.

The University believes in creating and disseminating knowledge through innovative educational programs, research, consulting and publishing. The University seeks to establish a cadre of professionals with high level of competence and deep sense of ethics and commitment to the code of professional conduct.

2. Vision and Mission

Merit with Ethics

Vision: The University will emerge as a premier center of excellence for career oriented education known for contributing leaders in a vital sector of the state's economy.

Mission: The mission of the University is to offer world class, innovative, career-oriented professional Postgraduate and Undergraduate programs through inclusive technology-aided pedagogies to equip students with the requisite professional and life skills as well as social sensitivity and high sense of ethics. The University will strive to create an intellectually stimulating environment for research, particularly into areas bearing on the socio-economic and cultural development on the state and the nation.

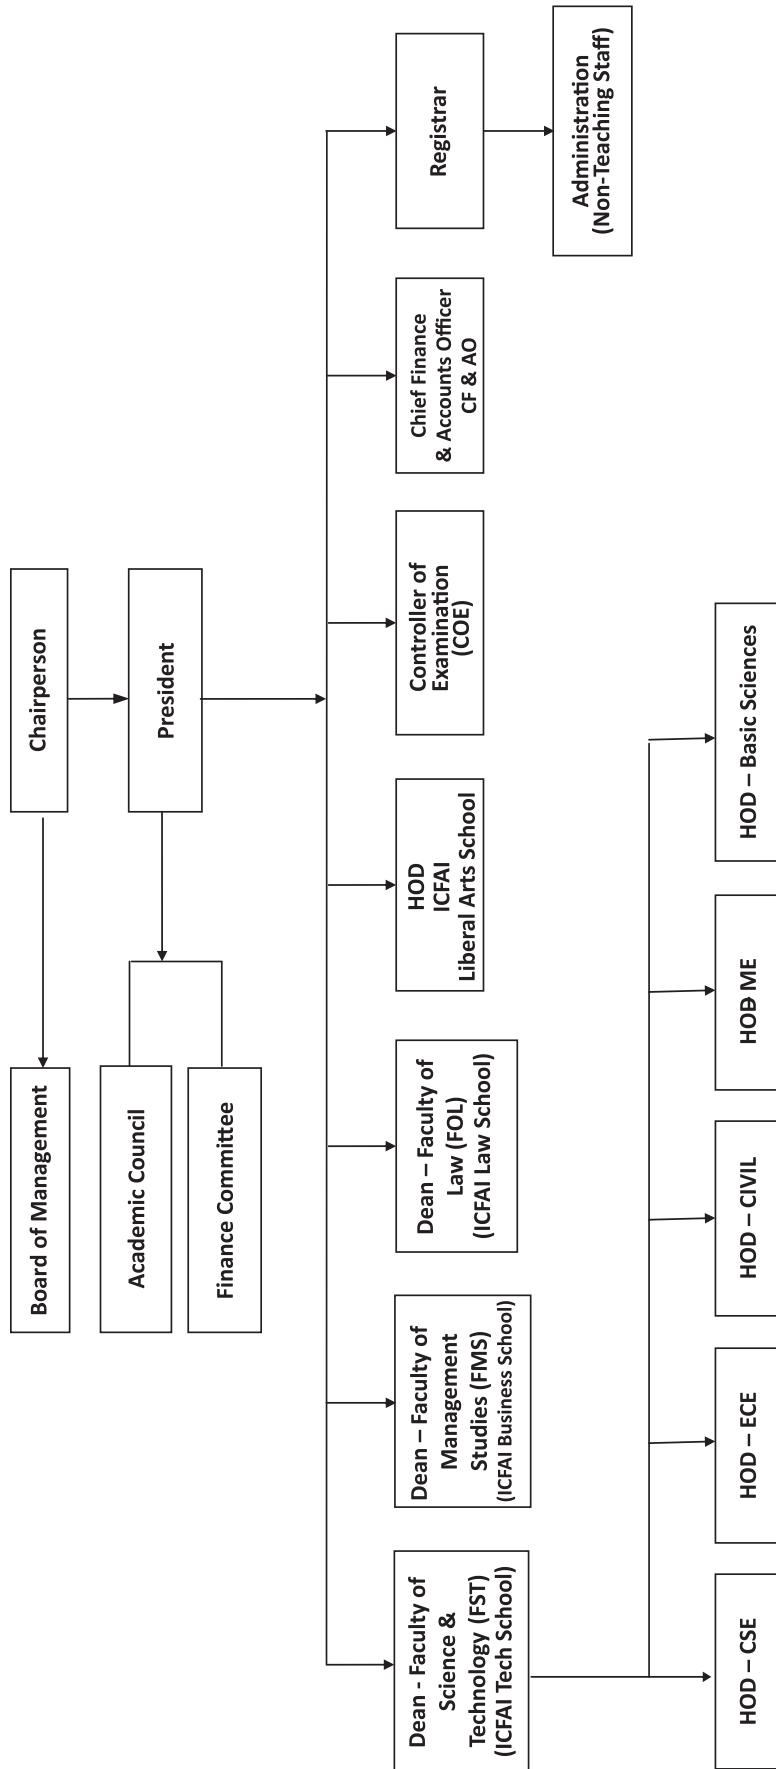

3. Governance

The University is a professionally managed University. All the statutory bodies are constituted in accordance with the Act, Statutes and Rules of the University. Meetings are regularly held to review the operations of the University. Issues pertaining to institutional development, long-term strategies, programs to be developed, human resources, staff recruitment, training & development and financial matters are discussed at these meetings. The University adheres to transparency, good governance and equality.
