

The ICFAI University, Jaipur

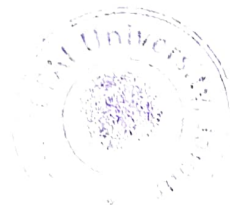

IQAC (Internal Quality Assurance Cell)

Vision

To promote a culture of excellence by ensuring continuous quality enhancement and innovation in teaching, learning, research, and administration, thereby fostering an environment that supports holistic development, inclusiveness, and sustainable growth.

Mission

1. **Quality Enhancement:** To establish and implement a consistent and effective quality assurance framework that supports and enhances the teaching-learning processes, research activities, and administrative practices of the university.
2. **Innovation and Best Practices:** To encourage and promote innovative practices in all aspects of university functioning, fostering a culture of creativity, critical thinking, and best practices.
3. **Stakeholder Engagement:** To engage with all stakeholders, including students, faculty, administrative staff, and external agencies, to ensure their active participation in the quality assurance processes and in decision-making.
4. **Capacity Building:** To provide training and development opportunities to faculty and staff to improve their competencies and ensure a high standard of academic and administrative performance.
5. **Data-Driven Decision Making:** To collect and analyze data related to various academic and administrative activities to make informed decisions and to foster a culture of accountability and transparency.
6. **Feedback and Improvement:** To establish mechanisms for regular feedback from stakeholders and use this input to drive continuous improvement in academic and administrative processes.
7. **Accreditation and Compliance:** To ensure that the university meets national and international quality standards and accreditation requirements, thus enhancing its reputation and standing.
