"...Our right of interference is limited entirely to giving education. Women must be put in a position to solve their own problems in their own way. No one can or ought to do this for them. And our Indian women are capable of doing it as any in the world..."

- Swami Vivekananda

WE SPEAK...

"Women belong in all places where decisions are being made. It shouldn't be that women are the exception."- Ruth Bader Ginsburg

Having representation of females at positions of influence and importance at organizations is not an agenda to be discussed and continued to be discussed at all times, it is an agenda that calls for Affirmative Action in time and we take pride in sharing that we practice the same at ICFAI University Jaipur. With a significant representation of women in the workforce and positioning them at leadership roles is a testimony to the same. It's not about creating a conducive environment for women employees, it's more about making women capable to flourish in the same environment at par with their other colleagues. At ICFAI University Jaipur, women play decisive role in academics and demonstrate illustrious success..

**DR. SHWETA JAIN
DEAN, IBS**

The vision of "Aatmanirbhar Bharat" is not possible without an empowered womanhood.

Empowerment of women has seen a significant impact on the society, Women are employed in good numbers at senior levels in media banking, hospitality, healthcare, academics and other sector. They are certainly making their footprints. Increasing participation of women in various verticals are showing gains in better life and better prospects.

**DR. ARCHANA RATHORE
ASSOCIATE DEAN , IBS**

**MS. RADHA NARUKA
ASST. PROF, ICFAI LAW SCHOOL**

I have a wonderful experience of teaching and learning together at ICFAI University Jaipur and it has made me realize that I am empowered. I think the barrier in progress of women is the mindset of the society that the women are weak and they need special care and attention. In my opinion women need only equal opportunity to learn and work not the sympathy of anyone. At ICFAI University Jaipur the sky is limitless for empowerment.

In my view, women empowerment means to get equal opportunity in the society and working with the ICFAI University Jaipur I believe that the I am getting it. I experience here a positive atmosphere with equal and ample opportunities.

चित्र नहीं सौंदर्य है, चरित्र का
कुछ ऐसा है वर्णन, मेरे मित्र का
जो स्वयं सामान बिना अभिमान समझे, वह तो कर्तव्य है पितृ का
जो खून से नहीं, जूनून से एक समझे, निःस्वार्थ कुछ ऐसा है वर्णन मेरे मित्र का
चारो ओर सूखे में मुझसे लिपटी हरित यह बेल है, ना उपेक्षा मन में है, ना कोई मन में मैल है
हाँ, बेल को भी चाहिए सहारा, होती यह भी निर्भर है
निर्भर है पर स्वार्थ नहीं, इससे ज्यादा कुछ पवित्र नहीं
महक है विश्व की, सुगन्धित इतना कोई इत्र नहीं
उस बेल के लिए स्थिर हूँ, इसीलिए ज्यादा मेरे मित्र नहीं।
