मित्र का वर्णन

चित्र नहीं सौंदर्य है चरित्र का
कुछ ऐसा है वर्णन मेरे मित्र का।
जो स्वयं समान बिना अभिमान समझे, वह तो कर्तव्य है
पित्र का
पर जो खून से नहीं जुनून से एक समझे निस्वार्थ, कुछ
ऐसा है वर्णन मेरे मित्र का ।
चारों ओर सूखे में मुझसे लिपटी हरित यह बेल है, ना
उपेक्षा मन में हे ना कोई मन में मेल है।
हां बेल को भी चाहिए सहारा होती यह भी निर्भर है ।
निर्भर है पर स्वार्थ नहीं, इससे ज्यादा कुछ पवित्र नहीं ।
मेहक है विश्वास की सुगंधित इतना कोई इत्र नहीं ।
उस बेल के लिए स्थिर हूं इसलिए ज्यादा मेरे मित्र नहीं ?

वो ताज़

वो जो ताज है...तुम ही तो हो

उसके हर अनछुए एहसास में तुम ही तो हो...

पीली पड़ रही दीवारों के भीतर जो सफेद चादर है वो तुम ही तो हो...

उससे जुड़ी हर प्रेम कहानी की शुरुआत तुम ही तो हो...

वो जो ताज है... तुम ही तो हो

अधूरी रह गई जो कहानी वहां, उसके प्रमुख किरदार तुम ही तो हो...

हर वो नम आँख जो अपने महबूब को याद कर रोई है वहां, उसके आंसू तुम ही तो हो...

ताज से बढ़कर भी जो हालीज़ एहसास है वो तुम ही तो हो

वो जो ताज है... तुम ही तो हो

Peaceful

Impatience

Hey! you tried your best,
Forget about the rest
It's not your work to do rat race,
You, just need to embrace
As peace is all about your ambition,
And impatience is the obvious precondition

Oh god! She is so pretty,
He is so handsome
But hey! Is it worth you to be so burdensome?
Be a bit witty
In the word of showy social media,
Be an secret encyclopedia
As peace is all about your ambition,
And impatience is the obvious precondition

Everyone is growing,
With a bit of showing
Whatever you are undergoing,
You too, are glowing
Just keep your faith,
Above the societal weight
As peace is the all about your ambition,
And impatience is the obvious precondition

Oh yeah! It's peaceful,
That you did the needful
But the impatience comes,

When the insecurities bumps
But my friend, it's all this tussle,
Which will make your dream castle
As peace is all about your ambition,
And Impatience is the obvious precondition

All are running in the town,
Competing to be re-known
But, you just keep the pace,
And you will surely ace

Yeah I know its hard sometimes,
But you could be a bit smart that time
As peace is all about your ambition,
And impatience is the obvious precondition

Just remember one thing,
There's always something
You just need to pay attention,
And stop all pretentions

All I want to say,
You need to make your own way
As peace is all about your ambition
And impatience is the obvious precondition

So, here I bid you farewell,
Without any more syllable
Just remember one thing,
You are much more than what you think
Keep the spirit high,

For that happy cry
As peace is all about your ambition
And impatience is the obvious precondition.

H O M E L E S S

It's gone.

I'll never be able to see it, feel it or visit it.
Why? Coz I ravaged it, with my own hands.

Smitten by the thought of building
something better, and beautiful than the
previous one. I destroyed the previous one.

Now, when I'm here it feels nothing like
that old one.

Somehow, it resembles a beautiful flower
shop but without any fragrance.

Ohh, how much I wish I could go back in
time and stop myself from devastating it.

Ohh, how much I have tried to build it
again, though I know it will never be the
same like it used to be.

Because, once it used to be my HOME.
And no matter how much I wandered I had
always find my way back but now, it's just
these shambles broken all apart.

PLAYWRIGHTS

Feeling, entangled in multiverse of delusion
working full-time in the world of illusion
like the wine, taking you into deep habituality
frame your mind and let it go.

Materialistic affections holding you back
stating, it's all for your sake
identified mob is against you
cross the line and let it go.

Free from hylic, be your own host
adopt an alias and be a ghost
put the world behind, ask yourself
minute a crime, let it go.

The hour when feeling cumbrous in the chest
either for the best or for the toughest
see the millennium behind you
just a time, let it go.

Flying like a bird in the sky of kites
thoughts are connected in these playwrights
don't judge the mood from above mentions
mere a rhyme, let it go.

The burning star melting into the shore of an
ocean,

the whole world slowly sinking, deep in the
darkness of a still night. Emitting an orb of
bluish soft radiance, lightning up the dark
night with hope!

A divine luminosity from above the heavens,
through hushed windows of your room,
knocking at the door of your shattered soul,
illuminating your entire actuality!

Gazing into the celestial night airglow,
eavesdropping a melodious ditty. A milky
tranquil star, so soothing a site for sore eyes,
like watching a beloved from afar, assuring
the return of a new love!

Oh thee Moon, precious.

LITERARY WORK

OPTIMISTIC VISION OF Judicial Activism

“Justice is supreme and justice ought to be beneficial for the Society so that the society is placed in better-off situation. Law courts exist for the society to rise up the occasion to do Needful in the matter, and as such may sub-serve the Basic requirement of the society. It is a requirement of the Society and the law has to respond to its need.”

The phrase- Judicial Activism is a philosophical ideology in legal world which is holding that the bench or judges go beyond the applicable law for the protection of fundamental rights described by the Constitution of India, 1949 and also to deliver justice to the citizens of any civilization.”

India being a quasi-federal nation where the three tier system is observed and in this system all three bodies have their own authorities and responsibilities but in certain scenario when two bodies i.e. executive and legislature fails to accomplish the goal of constitution which is to furnish justice and form laws in public interest than judiciary enlightens the path and fills the gap.

In recent developing and dynamic era, it has become a very vibrant issue in Indian judicial system.

It has become imperative to understand the clear meaning and the purpose of the approach. Judicial Activism had played a cardinal role in protecting public interest, be it in the case of protecting the working women from sexual harassment or be it a case of bounded labour, Hon'ble Court has taken stands for protecting of human rights or be it a fundamental rights which are provided by the Constitution of India. Massive number of cases are the witness where there is requirement of interpretation of laws or absence of any laws in that prevailing situation and in these cases judiciary cannot sit idle, it the duty of judiciary to accomplish justice and need to be more activist in nature and here the new revolution of judicial activism emerges.

The phenomenon is an activist move when a court make a shift from its traditional role of delivering natural justice and starts performing the role of legislation and make new laws, new rules. India has an emerging history of judicial activism.

Though its origin can be traced back in the year 1893, when Justice Mahmood of Allahabad High Court has sowed the seeds of judicial activism in the period of emergency. Imposing emergency was an attempt of government to control judiciary. Therefore, to avoid injustice judges cross the strict barriers of applicable laws made by legislation to illuminate the citizens with the glory of justice and also go beyond the borders of separation of powers. Nowadays judges have been burdened with heavy responsibility to evolve law in consonance with the dynamic needs and aspirations of the society and to serve the cause of social justice, therefore judicial activism is the sown seed of this approach.

The scope of judicial activism is not limited to only a single perspective, it is used to look in the matters and enforce what is beneficial for the society at large. The word "JUSTICE" has no finish lines, it is a critical approach for every individual with their own different essence. Many times the right to judicial review and judicial activism act as an aid for the weaker sphere of Indian society in protecting their rights by forming a bridge between applicable laws made by legislation and by making public interest litigation a source to reach out to apex court for the grief of distraction of their fundamental rights.

Cases like *ADM Jabalpur v. Shukla*, is a signified witness for the huge change in judicial approach after emergency. Cases of *Bandhua Mukti Morcha* and *Mukesh Advani v. State of Madhya Pradesh* were directed towards bonded labour. In case of *National Workers Union v. P.R. Rama Krishnan*, Court asserted that law should adopt itself with changing society, and its role is dynamic in social transformation process. In *M. C. Mehta v. Union of India*, apex court observed that when any law does not fit in current scenario, it is the duty of court to evolve a new law.

There is a need to understand the positive perspective that this exercise of authority of the judiciary is not for vain glory but it is in discharge of its constitutional obligation or otherwise the judiciary will become crippled which in turn ruin democracy. There are numerous jurist and philosophers of legal world has shared their views over a unique ideology and created a pathway to understand its activist approach.
