

REPORT ON Webinar “BUILDING A START-UP: A LEGAL PROSPECT”

The Innovation Club, ICFAI Law School under the aegis of Institute Innovation and Entrepreneurship Cell (IIEC) has organised the webinar on the topic: Building a Start-Up: A Legal Prospect by the learned speaker, Mr. Arka Dutta. The students from all four schools have made their presence. The program was inaugurated by Hon'ble President Sir, Prof. Dr. HP Singh VSM and Associate Dean Dr. Pratima Soni Ma'am along with other learned faculty members.

The Hon'ble President Sir in his address to the students laid stress on developing the indigenous technology and products. The welcoming of guest was done by Mr. Nehru (Assistant Professor, ILS & Club In-charge Innovation CLUB). The speaker discussed in detail the various legal and compliance aspects to building a start-up for budding entrepreneurs.

He further talked about the registration of a Start-Up firm, its intellectual property rights, labour laws and tax compliance as per the various legislation. Moreover, he also discussed the ideas of raising the funding and sustaining the Start-Up firm business. The students got an opportunity to clear their queries during the question-answers session. At end of the webinar, the vote of thanks was proposed by the Ms. Monika Yadav Ma'am (Assistant Professor, ILS & Member IIEC).
