

e-Conclave

ICFAI TECH SCHOOL, The ICFAI University Jaipur is organizing “e-Conclave” in association with HEADSTART Jaipur on 6th April 2018. We are going to create a platform where we will be inviting entrepreneurs from all walks of life to share about their journey and also to guide and motivate budding entrepreneurs. We believe that no one guide better than real life experts and so we are calling all the real life experts under one roof. Our main objective is to explore the startup ecosystem of Jaipur. We urge all the budding entrepreneurs, students & professionals to join and make this event make the event successful & meaningful.
